NEED OF SUBWAY AGAIN IN EVIDENCE

Andrew Street Crossing Again Being Blocked Daily—Child-
ren Endangered.

During the past two weeks the need of a subway at Central street has certainly been a number of times clearly demonstrated as because of the congestion of the Campbellton railway yards the Andrew street crossing has daily been blocked by long freight trains. Frequently not only Andrew street is blocked, but Cedar street crossing also, so that it was impossible for school children to get to school on time or business people to get to business without serious delay.

Friday morning at about ten minutes to nine there were two long freight trains blocking all crossings from the Subway to Dalhousie street. Many children were caught on the north side of the railway and were kept until late for school, unless they crawled under or between the cars, which many did. Again at dismissing time the crossing was blocked, and we understand it has been very frequently blocked during other days.

Until a subway is provided this serious state of affairs will exist and the matter should be taken in hand at once so that the C. N. R. authorities may be impressed with the importance of this work.

WERE FOUND

NOT GUILTY

Verdict Rendered by Jury at
Newcastle in Burnt Church
Case.

Newcastle, N. B., Jan. 7.—Attorney-General Byrne finished his address this morning in the case of the crown against Peter and Frank Mitchell, Indian brothers, charged with killing John Dejam, Indian Policeman, at Burnt Church.

Judge Barry, in charging the jury stated, that according to his opinion only two courses were left open for a decision—either that of murder against both defendants, or an acquittal.

The case went to the jury at 11:55 o'clock.

Verdict of Not Guilty.

The jury returned a verdict of not guilty at 2:30 o'clock. The prisoners were discharged.

CARD.

Jan. 12th, 1921.

To the Electors of the Town of Campbellton.

Ladies and Gentlemen:—At the request of a large number of the electors I have consented to become a candidate for the office of Mayor, and would earnestly solicit your support.

If elected I shall endeavor, as in the past, to have the affairs of the Town conducted in a business-like manner. Having had several years' experience in that office I feel that I am better equipped to administer the affairs of the Town than I would be did I not have that experience.

As the day of election is drawing very near it will be impossible for me to call upon you personally and I trust that you will consider this as a personal request.

Thanking you in anticipation of your hearty support and assuring you that I shall endeavor to have the affairs of our Town conducted in a satisfactory manner, I am,
Yours sincerely,
A. A. ANDREW

LOOKS LIKE LIVELY CONTEST

Full Ticket Now in Field And
Others Say They Are in
the Fight.

As the time for the filing of nomination papers for the civic contest grows short, there appears to be a general warming up in all wards and when this is written it looks exceedingly like a contest for the mayoralty as well as in each ward.

A citizen ticket headed with Major A. C. McKay for mayor is now in the field.

This ticket is made up as follows:—
Ward I.—W. B. Wallace, A. C. Belle Isle.
Ward II.—F. M. Shannon and we understand Mr. Hawesick Sanson.
Ward III.—John Bisset, A. F. Chamberlain.
At Large—George St. Onge, Joseph Duncan.

The policy as set forth in the cards of the above seems to be economy and a good business administration.

So far as the old council is concerned only Coun. Belle Isle and Bisset are offering for reelection and Coun. Shannon, who was elected about two months ago is also in the field.

Mr. A. A. Andrew at the solicitation of a large number of electors is in the field. His card appears in another column.

It is also said that full tickets will be in the field for the various wards and for councilors at large.

So far Mr. Mason Betts is spoken of for Ward I and a colleague will be found for him.

Ward II.—Messrs. James Patterson and J. F. McRae are definitely in the field.

At Large—No candidates have yet been announced but Mr. D. Champoux is spoken of.

At Large—W. H. Miller and Chas. Goss, both former councilors are in the field.

PLAYERS WILL WEAR NUMBERS

New Regulations in Force at
Game Played at Bathurst
Last Night.

When the players of the New Brunswick Hockey League went on the ice at Bathurst and Maryville last night there was large distinguishing numbers on the backs of their jerseys.

The decision to have players numbered was reached at the meeting of the New Brunswick Hockey League executive at Fredericton last week and the new order effective on and after Tuesday, January 11th, so as to include this week's game.

All players registered by clubs as upon their roster will be given numbers which shall correspond with the numbers to be worn on the back of their jerseys. The practice is in vogue in almost all leagues now operating in Canada, both professional and amateur, and its adoption is one of the moves being made to put the N. B. H. L. on a footing with the most prominent hockey organizations in the country.

The numbers must be at least 10 inches in length.

CANADIAN Y. M. C. A.

The Y. M. C. A. needs funds. Because of its splendid record and the invaluable work that it is doing today for Canada the Y. M. C. A. must be enabled to continue its program unimpaired.

It is therefore appealing for public support for its general work in Canada among men and boys, a work of the very greatest importance that the Y. M. C. A. is especially qualified to perform.

Campbellton share is \$500.00. Let every one do his bit. Respond generously when the canvasser calls upon you next week—Jan. 17-22.

FINE ATTRACTION COMING HERE

Silver Threads Among the Gold
and Vaudeville Shown Here
January 20th.

Silver Threads Among the Gold!!!! Is there a man, woman or child who does not know the song, "Silver Threads Among the Gold"? Apparently not, from the result of a song contest recently held in Montreal, where Silver Threads was voted the most popular of all songs. And from the fact they've been attending the performances, at the close of the present season there will not be a man, woman or child who does not know the photo-play, Silver Threads as well. For this biggest success of the present picture season has everything that a picture should have to make it successful. Tears, laughs and thrills. With the scenes laid way down east among real people. There are no highly colored camps—and no dress of the above seems to be economy and a good business administration.

The moonlight strays ride!!!! You, who have enjoyed these will want to live them over again. And you who haven't will enjoy them as much as the real thing, so graphically are they depicted. And then, the picture of Silver Threads an excellent cast was engaged, and prominent among these are the famous of all juveniles of the screen, the Lee Children. Katherine and Jane are prominently cast in comedy parts. To show Silver Threads without the songs wouldn't do at all, and to this end, John Morrison, a favorite Canadian singer has been engaged. He sings Silver Threads and When You and I Were Young, Maggie as you'd like to hear them sung. At the conclusion of the picture, Mr. Morrison, with Miss Elsie Clifton, Comedienne, produces his own comedy with songs. For this cause, the scene is laid in a very close vicinity of the Opera House one night only, Thursday, Jan. 20th. Tickets can be procured in advance. Prices 25c. for Children and 50c. for Adults. Tax extra.

LORD BYNG IS THE FAVORITE

Toronto Paper Says Former
Commander of Canadians
Would Suit.

Toronto, Jan. 11.—Under the caption "Burnham and Byng" the Globe says editorially this morning:—
"If the question as to who shall be the representative of the crown in this country is to be discussed publicly in the Northcliffe fashion, it is perhaps well to say that ninety-nine out of every hundred Canadians would rather have Lord Byng than Lord Burnham. As commander of the Canadian Corps, Sir Julian Byng came very closely in touch with the young manhood of the Dominion. He understands the Canadian people. Lord Byng is a somewhat shy and retiring man, who might be at a disadvantage beside Lord Burnham in the social whirl, but he has the restraint, the reticence and the dignity that fit him admirably for the great post occupied in times past by men of the calibre of Dufferin, Lorne, Landsdowne, Stanley, Aberdeen and Devonshire.

EDITORS MAIL.

Can you or any one give any good reason why the evening Local from the East, should be held up for a full half hour at the semaphore as was the case Wednesday evening Jan. 8th to the great annoyance of passengers, and the general public who were waiting for their mail. The comments from many people last evening were not very favorable to the Rly. management, to say the least. We know those responsible, will say that the yard was congested, or some such silly reply, but that won't satisfy the public. The authorities knew this train was coming in at a certain time, then why not plan to have the necessary room for that train. The same thing frequently happens with the West Locals, causing passengers to leave the train, and walk a mile or so to the Station. This is a matter that could be remedied and the public hope that the Dispatchers will give it some attention.

Yours,
SUFFERER

ALLEGED ILLEGAL EXPORT OF PULPWOOD TO UNITED STATES

Federicton, N. B., Jan. 10.—Crown land officials here explain the charge against the York County Council that pulpwood cut on the Crown lands was being illegally exported to the United States in its substantial quantities with facts. Under a regulation of the Provincial Government the export of pulpwood from the Crown lands in parts of York and Charlotte County has been permitted for some time, owing to the ravages of the spruce bud-worm and the fact that there are no Canadian mills on this side of the border in these districts, the wood would otherwise go to waste.

"MT. MACKENZIE" AS WAR MEMORIAL AT OTTAWA

Rename "Sugarloaf" as a
Memorial to Campbellton
Hero.

(Chatham Gazette.)
Mr. H. B. Bailey of Fredericton, son of Dr. Bailey formerly professor of geology at the U. N. B., was in town yesterday and when in conversation with The Gazette he made a suggestion that might well meet with the hearty endorsement of the province at large. It was in connection with the idea recently advanced by Rev. Fr. MacGillivray chaplain of the 20th overseas battalion at a dinner of the officers of that organization held in St. John.

Fr. MacGillivray had suggested that the province erect a monument in Campbellton to the memory of the battalion's gallant commander Colonel A. E. G. Mackenzie who gave his life in the great war in the final hour of victory. Mr. Bailey advocates the renaming of the prominent landscape feature of Campbellton now known as Sugarloaf Mountain for the dead commander and to call it Mt. Mackenzie. As this is easily the most striking mountain in the province within range of any large settlements, it would almost everyday be a reminder to everyone who travels by the C. N. R. from any part of Canada through this province of one of the most illustrious names that Canada has the right to inscribe on her war shield and as the present name was only given from its resemblance to an article in every day use, the change can work no hardship on any person. As Col. Mackenzie was a Campbellton boy the suggestion is still more pertinent.

Already British Columbia has named one of its big mountains for Edith Cavell and selected one that had borne a personal name, so that New Brunswick would have precedent for what seems a very suitable move.

E. W. MAIR WILL BE CANDIDATE

Agrees to be a Mayoralty Nominee When Citizens Present
a Petition.

Woodstock, N. B., Jan. 10.—A committee of the citizens waited on Mr. E. W. Mair at his office this afternoon and through their spokesman Mr. W. B. Bolen, presented him with a requisition largely signed by the citizens, asking him to be a candidate for the office of mayor.

Mr. Mair, in reply to the committee, said that while he had no aspiration along the lines mentioned in the petition, he felt that he could not afford to ignore the request of so large a number of ratepayers, and would accede to their wishes.
