OUR POLICY
"Prompt Service and Close Attention To All Orders"

To this policy strictly adhered to we consider that our business has been largely done on people coming with us have always felt sure that they would get exactly what they wanted promptly and at reasonable prices.

Our modern plant and large stocks always on hand enable us to fill orders to give our customers the very best service.

We can ship made to order goods within a reasonable time, not so quickly as stock goods for the reason that it takes time to manufacture special or odd articles. However, our up-to-date plant and efficient organization enable us to do this in a way to merit your hearty approval.

**MAY BE APPOINTED
TO SUPREME COURT**
Mr. LeBlanc Said to Be Stated
For King's Bench Division
of the Court.

There is a persistent report that Hon. A. E. White, a judge of the Appellate Division of the Supreme Court of New Brunswick, is about to retire because of ill-health. It will be remembered that he had a most serious attack while here attending a session of the court a few weeks ago, and previously he had been away from the province on an extended trip to Europe for the benefit of his health, but which unfortunately appears to have effected no permanent betterment.

In political circles the report persists that Arthur T. LeBlanc, C.M.L.A., of Campbellton, will be appointed to the vacancy thus created on the Supreme Court Bench. Mr. LeBlanc may not be regarded as one of New Brunswick's foremost lawyers, but he has been in practice since 1908 and he is an Academic and the Academic have been proceeding most consistently for the appointment of a member of their race to the Supreme Court bench since the death of the late Sir Pierre A. Landry, who was chief justice. It is expected that Mr. LeBlanc will become a member of the Appellate Division, but rather than Mr. Justice Barry will go to the Appellate Division and Mr. LeBlanc will be appointed to the King's Bench Division.—Gleaner.

**HAS VALUABLE
FREEZER PATENT**
W. S. Montgomery Has Something Very Valuable in Fish Business.

The Graphic understands that Mr. W. S. Montgomery of Dalhousie has patented a device which is of great importance to fish packers and shippers. It is an appliance which makes the action of fish freezers much more efficient and reduces the cost of operation.

The device is very simple and can be easily installed in any freezer.

Mr. Montgomery has patented the device and has applied to the patent on the market. He expects to make a million or so therefrom.

**FIRST SHIPMENT
HAS ARRIVED**
Dodge Brothers Motor Cars
Now Here. On Display
Saturday.

The first car load of Dodge Brothers motor cars arrived here yesterday and will be on exhibition in the new display room adjoining S. W. Dimock's office on Roseberry street Saturday.

Dodge Brothers cars have earned a reputation everywhere for service at low cost, and the demand for them is very great.

If you are interested call and inspect these cars and get full information.—Adv.

**CAMPBELLTON BILL
BEFORE COMMITTEE**
Coun. Belle-Ile and Solicitor
Car Appear in Favor
Of Same.

The three Campbellton bills, one of which gives authority for the issuing of \$235,000.00 for overdrift, water and sewerage extensions and permanent streets, were before the municipal committee of the Local Legislature last Wednesday morning.

H. A. Carr, Town Solicitor was heard in support of the bill. A plebiscite had been held on the question of debenture issue and the vote had been in favor. The civic election immediately following had been on the same issue and the entire ticket with one exception, which supported the issue, was returned. Ald. A. C. Belle-Ile also was heard in support.

It was decided to consider the bill in private session.

This week a delegation consisting of Messrs. Wm. Richards, A. A. Andrew, F. M. Anderson and C. A. Alexander are in Fredericton interviewing the government in reference to these bills. The Graphic understands that they are asking that before authority to issue bonds is given the property owners be permitted to vote on the question.

The Men's furnishing dept. is showing the newest in shirts, collars, neckwear and pyjamas. OAK HALL.

A FEAST FOR HOCKEY FANS.
The Campbellton Hockey Club will give a bean supper in the Knights of Columbus Hall on Tuesday, April 4th. All good hockey fans like beans. Call and have supper. This will give the wife more time to do her spring shopping.

SPECIAL SPRING SALE.
I am giving a discount of 40% on all dry goods, clothing, and boots and shoes, excepting finer lines and new goods just received. These will also be subject to a special discount. It will pay you to call and inspect our bargains before buying elsewhere. S. M. Moore, first door east of St. Charles.

FAMOUS BASILICA AT
ST. ANNE DE BEAUPRE
NOW A HEAP OF RUINS
Historic Cathedral and Mecca of thousands of pilgrims laid low by disastrous fire which broke out in roof of Sanctuary. Most of valued objects saved by the villagers.

had to be poured with water themselves to prevent fire from catching their clothes. It was a spectacular sight. It is expected that new shops will be erected.

**HEAVY LOSS AT
UPPER CHARLO**
Thos. Craig's House and Barns
Burned.

A most disastrous fire swept Upper Charlo, a thriving village twenty miles below Campbellton on the main line of the C. N. R. yesterday afternoon doing damage to the extent of \$30,000.

About four o'clock it was discovered that Mr. Thos. Craig's residence was on fire. A northwest gale was blowing and the whole roof was soon ablaze.

The embers were carried to the next neighbor, Harry McKenzie's property, a considerable distance away and that was soon blazing, the house, barns and sheds being completely destroyed.

From there the fire jumped to A. S. Arsenau's house, and this with the store adjoining was soon masses of flames.

The next building to go was the blacksmith shop at the roadside a considerable distance from the highway.

Other buildings caught fire but were saved by hard work. The hardest fight was made to save Mr. Robert Craig's residence and this was accomplished.

The losses are estimated as follows:—
Thos. Craig—House and sheds, household furniture saved, loss about \$3000, insurance \$1500.
Harry McKenzie—House, barns, outhouses destroyed. Lost all farm produce, implements, seed, nets, etc. Loss about \$7000.00. Some furniture saved. Insurance \$2000.00.
A. S. Arsenau—House and store destroyed, with nearly all contents, including automobile and a large general stock. Little household goods saved. Loss about \$20,000. Insurance about \$10,000.
Mr. LeBlanc—Blacksmith shop and tools. Loss about \$500.00. No insurance.
Mr. Arsenau was away from home so that his loss is hard to estimate. Many nearby families moved out all their household goods, and live stock were turned out into the fields.

Dr. Martin will be out of town for the month of April to take a post graduate course in New York. He will devote most of his time to the study of children's diseases.

CONGRATULATIONS.
Mr. and Mrs. James Hamilton of Dalhousie are receiving congratulations upon the arrival of a baby girl at the Soldiers' Memorial Hospital here. This little girl receives the trousseau given by the Ladies' Aid to the first child born in this institution.

**"JOSH" COOLING'S
ILLNESS WAS FATAL**
Well Known Bivalvul Crayfish
Passed Away Last Friday
Night.

(Bivalvul Paper.)
A. J. Cooling, familiar and genial character in Bivalvul for the past fifteen years, died last Friday night following an illness of about a three weeks. He was first taken down with the grippe shortly after New Year and this together with complications brought on by Bright's disease hastened his death. During practically all of his illness he was under nurses' care.

The funeral was held Tuesday afternoon under the direction of the Order of Eagles of Evesleigh, of which he was a member. Short services were held at Gosley's undertaking room where Rev. B. D. Hanson read from the Scriptures and offered a prayer and G. H. Loxman read from the lodge ritual. Burial was made at Lakeside cemetery where Rev. B. D. Hanson conducted the committal service and Mr. Loxman took care of the lodge service. The pall bearers were William Dopp, K. S. Johnson, William McLetchy, James Scobson, James McLetchy, William O'Hara, Dennis Hogan and Clarence Green. A number of members of the Evesleigh lodge were present at the funeral.

Anthony Joshua Cooling was born in Fiddiside, New Brunswick, Canada, in 1857 and at the time of his death had attained the age of 65 years. Not a great deal of information is available in regard to his early history until 1890 when he came to Osoyoos, Wisconsin, and for fifteen years followed the life of a woodsman in Wisconsin and the northern peninsula of Michigan. In 1906 came to the Range and for about a year was employed as farm hand and volunteer in the cause of the Virginia & Rainy Lake company. The following year he entered the saloon business in Bivalvul which he continued until the territory was dry. Since that time he has maintained living quarters in the rear of his building on Main street and was a familiar character on the streets during the summer months.

"Josh" as he was familiarly known, was always genial and pleasant and had a cheerful word for all. His outstanding characteristic was his size. He was six feet six inches tall and at the time of being taken down with his last illness weighed approximately 325 pounds. During the winter months he "hibernated" in his living quarters, coming out only on rare occasions for a movie show or when the bright sun was out. Suffering from rheumatism in the back and his feet were so stiff that he was unable to walk any considerable distance.

In the winter of 1921 he was afflicted with rheumatism and almost superhuman strength. In those days he weighed about 275 pounds, a solid mass of muscle, and it is told how he used to juggle barrels of coal and port, weighing 300 pounds in the manner which the ordinary man handles 100 pounds. Another incident is told of him in his woods and river work and how he used

**JUDGEMENT IN
GASPE CASE**
Ownership of a Lot of Land
Settled by Court
Judgement.

An interesting judgement has been handed down by the Superior Court at Percé, in the County of Gaspé, in which William Greer was plaintiff and Rami Kennedy, of Douglastown, defendant.

Some forty years ago Lawrence Kennedy acquired a piece of land by location ticket from the Crown. Fifteen years ago the letters-patent were issued for this land, reading as follows:—"Letters-patent in favor of the legal representatives of 'Lawrence Kennedy'."

Since a number of years ago Rami Kennedy who is not a relative of Lawrence Kennedy's had been in possession of this lot, and the plaintiff ordered him to give up possession, claiming that he, the plaintiff, was one of the legal representatives of the said Lawrence Kennedy, and that he was entitled to the lot.

The defendant, Rami Kennedy through his attorney set up that he was entitled to this lot, because he and his predecessors had had possession for over thirty years, and that the words "legal representatives" in the letters patent did not necessarily mean the legal descendants of the party who held the original location ticket, but meant all parties who had any right whatsoever under the civil law of the Province of Quebec to the lot in question.

The Court upheld the pretensions of Rami Kennedy, and declared that the plaintiff was not entitled to this lot, although he was one of the legal representatives of the original party who held the location ticket.

The plaintiff was represented by Mr. W. A. E. Flynn, of Percé, and Rami Kennedy represented by the Honorable John Bell Kelly.

to pack food in a sugar barrel strapped to his back by special straps and carry it for distances of three and four miles—fully able at all times to take the place of a pack horse. Josh's appetite was also in keeping with his stature and he consumed large amounts of meat with each meal.

One known relative, a sister, Mrs. Toronto and had been notified of his illness and death but was unable to

**BAD FIRE AT
NEW CARLISLE**
Round House and Adjacent
Buildings Completely
Destroyed.

New Carlisle, Que., March 28.—Fire destroyed the round house and adjacent buildings on Saturday night which were burnt to the ground. Through the quick work of the General Manager, Mr. Gordon, considerable rolling stock and machinery were saved, also the large water tank.

To the credit of the men here it must be said that they nobly came to the assistance of the popular officer of the company and did the best to save all they could.

Several young men, endeavoring to protect the tank against the flames,

IN MEMORIAM.
In loving memory of my dear father and mother who passed away April 7th, 1917 and March 27th, 1917. Dear is the graves where my parents are laid, Sweet is their memory that never will fade; Flowers may wither, leaves may die, But to forget my dear parents never will I. Years have passed my heart still sore, As time goes on I miss them more; Their welcome and their loving faces Oh none can fill their vacant places. There memory is as fresh to-day As in the hour they passed away. So oft at night the stars are shining, Or the lonely graves, over my darling father and mother, Ones I love so much but could not save. Inserted by their daughter, Mrs. Oliver Lawrence.

AUTOMOBILE SHOW ROOM.
Mr. S. W. Dimock is busily engaged this week erecting an automobile show room adjoining his coal office on Roseberry Street.

CONGRATULATIONS.
Mr. and Mrs. James Hamilton of Dalhousie are receiving congratulations upon the arrival of a baby girl at the Soldiers' Memorial Hospital here. This little girl receives the trousseau given by the Ladies' Aid to the first child born in this institution.
