HUBBY (with newspaper)—Listen to  
this, wifey. For every missionary sent

ful goodness! Who'd ever think mis-  
sionaries were such drinkers!

THE stores are advertising washable  
kid gloves these days. The average  
woman hesitates about buying them,  
though. The idea seems to be that these

to washing.

A BUSINESS MAN is judged by the kind  
of stationery he uses. Nicely printed  
letter paper and envelopes create the  
feeling that the user is a good business  
man and desires to make a good impres-  
sion on the customer. The man who  
makes out an account on a scrap of paper  
or a sheet of common pad is put down as  
a back number.

AFTER a short illness John Edwards  
passed away on Wednesday afternoon at

a snug amount for a rainy day.

THE Village of Watford has a \$4,450  
sidewalk debenture for sale, bearing  
interest at 5 per cent., payable in  
20 equal annual instalments  
of principal and interest. This  
is an excellent investment for some local  
person who has money in the bank draw-  
ing only three per cent. W. S. Fuller,  
town clerk, will furnish full particulars.

THE meeting of the West Lambton  
County Orange Lodge at Oil Springs,  
was the largest on record. Bro. Thomas  
Rose, of Petrolia, was elected County  
Master. It was decided to celebrate the  
12th of July at Sarnia. The two Sarnia  
lodges and the Point Edward lodge ap-  
plied for a new district which was grant-  
ed to them. It will be known as District  
No. 2, Sarnia.

AFTER the first day of May, 1913, there  
will be no liquor sold on the Island of  
Manitoulin. This state of affairs is the  
result of a vote taken under the Canada  
Temperance Act, which resulted in a de-  
cided win for the anti-liquor faction, and  
will mean the cutting off of twelve licen-  
ses in different parts of the island.

PERRY'S Peerless Players put on two  
performances in the Lyceum this week,  
on Monday night the college comedy,  
"The Little Co-Ed," and on Tuesday  
"Anita, the Singing Girl." Both per-  
formances were first-class in every par-  
ticular, but the audiences were not as  
large as the good acting warranted. The  
company carries a lot of scenery and other  
paraphernalia.

IN the House of Commons on Monday,  
Mr. J. E. Armstrong, member for East  
Lambton, advocated the nationalization  
of express companies not only on the In-  
tercolonial, but on all railways. He  
thought there was little hope of getting  
a reduction of rates from the companies  
that would amount to anything, and saw  
in Government control and operation the  
ultimate solution.

40 FANCY vests, sizes 34 to 38, light  
and dark shadings, half price. A big  
bargain.—SWIFT'S.

WITH the chartered banks declaring  
dividends of from ten to fourteen per  
cent., fat reserves being laid away, and  
borrowers warned of having higher rates  
to pay for their loans, the depositors will  
naturally expect to see something doing  
by the urbane clerk who marks the rate  
of interest on the margin of the little  
book in which the savings deposits are  
credited. Why not.

A PETITION signed by many of the  
Bell Telephone subscribers of Watford  
has been forwarded to the head office of  
the Company asking for a continuous  
telephone service in town. Other places  
smaller and of less importance than Wat-  
ford are receiving continuous service and  
some subscribers here claim that business  
is being hurt on account of the short  
hours now granted to the users of the  
phone in this place.

MR. JACOB TEMPLE spent a few days

it.

GOOD WEIGHT wool sox, 3 pairs for 45  
cents.—SWIFT'S Friday bargains.

MR. THOMAS CRONE, Winnipeg, was  
in town this week, calling on old friends  
and acquaintances. Over seventeen  
years ago Mr. Crone kept a furniture  
store in town, and since going west has  
done well.

THE Valentine tea given by the Daugh-  
ters of the Empire at the home of Mrs.  
Lawrence was an unqualified success and  
as a result the Chapter has \$20 to buy a  
wheel chair for the free hospital for con-  
sumptive children at Weston. The tables  
were appropriately decorated with red  
hearts, red carnations, jellies, etc., and  
looked lovely. A table of homemade  
candies was presided over by the young  
daughters of the members and was well  
patronized.

PEOPLE whose habit it is to sign every  
petition placed before them should take  
warning by what has happened to some  
petitioners in Guelph. They signed a  
petition against the medical health office.  
Now it turns out that the person  
who prepared the petition made a mis-  
take, having intended to attack the san-  
itary inspector. The result is an action  
for libel brought by the medical health  
officer against all those petitioners.

EDITOR McDONALD of The Chesley  
Enterprise, has resigned the offices of  
clerk and treasurer of Chesley. We no-  
tice several other newspaper men who  
have been carrying a lot of offices are  
withdrawing. Running a printing office  
successfully is a serious business these  
days, and with the doubling in price of  
type and paper, publishers must give  
more thought and time to their own busi-  
nesses if they wish to avoid the sheriff.—  
Port Elgin Times.

GOLD and silver articles offered for sale  
in Canada, if marked at all, will here-  
after have to bear a trade mark, and in  
addition "a mark truly and correctly in-  
dicating the quality of gold and silver,"  
or a British hall mark, or the correct  
official mark of any foreign country  
correctly indicating the quality of gold or  
silver. An article cannot be marked as  
gold which is below nine karats in fine-  
ness. The bill stands for third reading  
in the senate, after which it will have  
to pass the House of Commons.

REV. F. L. FAREWELL, B.A., B.D., of  
Toronto Secretary of The Young Peoples'  
Department of the Methodist Church,  
will address a mass meeting of the Sun-  
day School and congregation in the  
Methodist church in this place next  
Sabbath morning at the usual hour of  
service, 11 o'clock. He will also  
preach in the evening at 7 o'clock. Mr.  
Farewell is here in the interests of the  
circuit conventions being held at Uttox-  
eter, Arkona and Bethesda, the afternoon  
and evening of the 20th, 21st and 24th,  
i.e., Thursday and Friday of this week  
and Monday of next week. Everybody  
welcome both at the Sunday services and  
all the conventions.

WE regret to know that there are still  
some persons insane enough to forward  
us items for publication, having no  
foundation. Last week we had a case when  
one of these idiots was so lacking in grey  
matter as to overstep the mark of prop-  
riety by reporting a birth in Dawn town-  
ship, giving the name of the infant, date  
of birth, etc., etc., which upon investiga-  
tion were found to be incorrect, and also  
a couple of Warwick items which were  
false and slanderous. Why anyone  
should be guilty of such freakish non-  
sense is hard for us to understand, and  
we feel obliged to attribute it to the  
grossness of ignorance. We are glad to  
know, however, that the persons posses-  
ed of the mania for getting up such ab-  
surdities as these are few and far between.

THE new Anglican Church at Dorches-  
ter was opened for service last Sunday.  
This church is built on similar plans to  
those of the new Trinity, Watford, the  
latest ideas in church architecture being  
used. The London Advertiser says:—"The  
new church is a very handsome  
structure of white brick. The interior  
appointments, while plain, are of a

simple elegance that makes them particu-  
larly attractive. The chancel window  
is very beautiful and the new pipe organ  
is a great addition to the church. Mrs.  
Sutton, the organist, delighted the con-  
gregation with a number of selections.  
The collection for the day amounted to  
more than \$300.

THE regular meeting of the Woman's  
Institute was held at the home of Mrs.  
Humphries on Wednesday afternoon,  
February 12th, President presiding.  
Meeting opened by singing "The Maple  
Leaf." Roll call answered by a Valen-  
tine quotation. A letter received from  
the District President, asking all the East  
Lambton branches to help maintain a cot  
for children in Weston Tubercular Hospi-  
tal and this branch has decided to help  
in this worthy cause. After the usual busi-  
ness Miss A. Kingston gave a reading on  
the beauty of a bare and leafless tree. It  
was a good subject. Also received an in-  
vitation from the Kerwood Institute, asking  
the Watford members to meet with them on  
Friday, St. Valentine's Day. The enter-  
tainment was to take place in the Foresters'  
hall, and thirteen decided to go. After  
the program all sat down to a  
dainty luncheon prepared by the Ker-  
wood ladies. Meeting closed by singing  
"God Save the King." Next meeting at  
the home of Mrs. Bambridge.—Sec'y.

THE High School Literary.

A meeting of the High School Literary  
Society was held Feb. 13th. The meeting  
was opened by the reading of the Sec-  
retary's report, followed by an instru-  
mental by Miss Alfreda Mitchell. Miss  
Alma Barnes gave a recitation on "Cour-  
age," and afterwards Miss Olive Oakes  
gave a character sketch of Cassius. Miss  
Jean McKecher gave a very sweet solo,  
"Bonnie Mary of Argyle," and Miss  
Dorothy Wordsworth gave a character  
sketch of Brutus. Mr. Potter rendered a  
solo which was greatly appreciated by  
all. This was followed by an amusing read-  
ing by Miss Mitchell entitled "The Pick-  
wickians on Ice." The Editor read his  
very amusing paper, and Miss Millie  
Barnes gave a recitation, then an instru-  
mental by Miss Smith, which was follow-  
ed by some selections on the mouth organ  
by Master Hallie Potter. The critic,  
Miss Mitchell, gave a few helpful  
remarks. Rev. Mr. Currie was present,  
and briefly addressed the Society. The  
meeting was closed by singing the  
National Anthem. Next meeting Feb.  
20th. All are welcome.—Sec.

son has declined the call from Stratford  
Congregational church, and will remain  
with Watford and Zion churches for some  
time yet.

A special sermon for men will be  
delivered in St. Mary's church, Warwick,  
on Sunday evening next at 7:30 by Rev.  
W. M. Shore, rector. Everyone wel-  
come, ladies included.

MR. THOMAS CRONE, Winnipeg, who  
was summoned home by the death of his  
brother William, of Mandaumin, last  
week, is visiting relatives and friends  
around Birnam, where he formerly lived.

MR. AND MRS. W. WEEDMARK moved to  
their new home at Strathroy this week.  
They have been residents of the fourth  
line for over 40 years and will be missed  
by many of their old friends and neigh-  
bors.

MR. MELLOR, Birnam, slipped and fell  
on the ice one day last week, striking the  
back of his head. He was unconscious  
for some time and it was necessary to  
summon medical attendance. His con-  
dition at first was thought to be serious,  
but he was quite improved at last re-  
ports.

day morning at 9:30, preaching at eleven

D. E., will conduct these services and we  
expect he may be able to remain a few  
days next week and assist the pastor,  
Rev. J. C. Ayer, in the revival now in  
progress. All are invited to attend these  
services.

THE evening of Feb. 14th, St. Valen-  
tines Day, was very pleasantly spent at  
Broad Lea Farm, the home of Mr. and  
Mrs. Carl Smith, 4th line, when they en-  
tertained about thirty of their friends,  
the event being the seventh anniversary  
of their wedding. The evening was  
spent in games of all kinds. Piano solos  
and instrumental music was very ably  
rendered by Mrs. E. George, Arkona,

and Miss Brent and Miss Hawkeye, of  
Adelaide. At midnight an oyster supper  
was served in the spacious dining room,  
which was much enjoyed by all.

The Methodist parsonage, Warwick  
Village, was a scene of a large gathering  
of the official members and their wives of  
Warwick and Uttoxeter on Tuesday even-  
ing, Feb. 11th, the Rev. and Mrs. H. F.  
Kennedy having invited them in for tea  
and to spend a social evening with them.  
About sixty sat down to tea, after which  
they retired to the drawing room, where  
an informal program was given, consist-  
ing of solos, duets, quartettes and instru-  
mental music, both violin and piano.  
Miss Bessie Beacom and Miss Allie Mc-  
Rorie entertained with some very pleas-  
ant selections on the piano, while Mr. Frank  
Sherk's numbers on the violin were very  
pleasing to all. Mr. Phillip Reynolds's  
solos received hearty applause, and the  
quartette numbers rendered by Messrs.  
Watson, Sherk, Yorke and Reynolds  
added very much to the evening's enter-  
tainment. Rev. and Mrs. Kennedy sang  
a duet entitled "Life's Dream is O'er,"  
and Mrs. Kennedy sang one of the Heart  
Song Series, by Gordon Thompson, en-  
titled "A Song of Home." A very hearty  
vote of thanks was given to the host and  
hostess and many congratulations ex-  
tended to Rev. Mr. Kennedy on having  
brought to a successful completion the  
Academic Degree Course of Bachelor of  
Divinity. The gathering broke up at the  
midnight hour, all having felt that they  
had spent a most enjoyable evening. The  
Quarterly Official Board met during the  
evening for business and the work of the  
circuit was reported as being in a flourish-  
ing condition both spiritually and finan-  
cially.

not favorable among the majority of

and vicinity tendered a miscellaneous  
shower to Miss Ethel Kelly at the home

Auld Lang Syne.

The East Brooke Farmer's Club held  
an oyster supper at the home of Mr.  
Paul Kingston on the 14th inst. There

and recitations was rendered. After  
singing God Save the King, all went

Feb. 25th.

The Brooke Branch of the Women's

## Press and Presentation.

A pleasant time was spent on  
Friday evening, Feb. 5th, when the  
friends connected with the Walnut  
Institute gathered at the home of Mrs. C.  
to spend a social evening before  
the departure of her daughter, Mrs. Rus-  
sell, for her new home.

The evening Mrs. Powell was  
before the gathering and presented  
her cake plate, biscuit jar and a  
box of tea. The following address was  
made by Mrs. John Hawes:—  
Russell Powell, —  
I am glad to see your friends of Walnut, have  
gathered here to spend an evening  
with you prior to your leaving for your  
new home.

It is so nice to see you all here,  
and we are glad that your re-  
turn will not be far away, and may God  
bless you in many ways, to lend you life  
and health to the church and vicinity  
and to be about to go.  
I have been a member for some  
time where you were uniting in  
order to do your part.
