Important Announcements Of Interest to Canada

**Lord Strathcona, Imperial High Commissioner
Reigns:—Duke of Connaught, Next Gov-
ernor-General of Canada, Announces
That the Young Prince of
Wales Will soon Visit
Canada.**

LONDON, June 30.—Two important announcements were made tonight at the Dominion Day dinner, which was attended by prominent Canadians. The first was by the Duke of Connaught, who said that the Prince of Wales probably soon would visit Canada, and the other by Sir Wilfrid Laurier, the Canadian Premier, who said that Lord Strathcona and Royal Mount Royal, High Commissioner for Canada, was about to resign his office.

QUEEN'S VISIT TO CANADA.

In his speech the Duke of Connaught said: "I can assure you that Queen Mary bears the most lively and most pleasant recollections of her visit to Canada. Of the Queen mother Alexandra I can only say this, that during the Coronation ceremonies, if she was not present in person she was in spirit. The Prince of Wales is only a boy, but I think from what I saw of him during the past week he will walk in the footsteps of his father and grandfather."

The Duke of Connaught was moved by the ovation that was accorded him. He expressed his admiration for Canada and pledged that he would do his utmost for the Dominion and the Empire.

LORD STRATHCONA.

Born in the pretty town of Forbes, Morayshire, on August 6, 1820, Donald

Alexander Smith, at eight, found himself minding his mother's cows and getting one hour of schooling a day. At twelve he went to sea with his father and at eighteen he set sail for Canada with his uncle, a well-known fur trader, to take up a junior clerkship in the service of the Hudson Bay Company. By 1868 he became the Governor of the Company, and three years later he sat in the Manitoba Parliament.

He was Special Commissioner during the first Riel Rebellion in Red River settlements; sat in the Dominion House of Commons from 1871 to 1896, when he became High Commissioner; is director of the St. Paul, Minneapolis and Manitoba Railway Company, and the Canadian Pacific Railway Company; Hon. President of the Bank of Montreal. He is a Fellow of the Royal Society, an honorary D. C. L. of Oxford and Dublin, L. L. D. of Cambridge, and has similar distinctions from half a dozen universities.

Lord Strathcona and Mount Royal has received many honors from the King. He is a G. C. M. G., G. C. V. C., and a member of the Privy Council. His work for hospitals and universities is well-known, and his generous gifts to public objects, amounting to over a million pounds, have done incalculable good.

All Heat Records Broken By Torrid Wave.

NEW YORK, July 3.—The siege of oppressive hot weather continues throughout New York state. To the maximum of 94.5 degrees, which the heat wave officially reached here yesterday, three and a half degrees were added by to-day, a maximum of 98 recorded at noon.

The list of those succumbed here in yesterday's torrid heat numbered ten lives, and many more were added to-day, while the list of prostrations officially reported ran upwards of a score. In Herald Square the bulbs registered 105, while the glass on the World building marked 110.

BOSTON, July 3.—All heat records in the 40-year history of the Boston weather bureau were broken to-day, and early this evening the mercury in the official thermometer had climbed to the 103 degree.

TROY, N. Y., July 3.—To-day was the hottest July 3rd in the history of the city, the thermometer registering 103 degrees in the shade, and in the sun the mercury went to 120.

NEWARK, N. J., July 3.—To-day

was four degrees hotter than any other recorded here since the weather bureau was established. The official thermometer stood at 103 at 3 p. m., while bulbs on the street registered 111 degrees. Eight deaths and scores of prostrations were reported to-night.

PITTSBURG, Pa., July 3.—The thermometer was going up all day, starting at 4 a. m., when it was 73, and touching the high point of 97 at 3 p. m. Many prostrations and deaths are reported, the list of drownings in particular being a very long one. Many of the mills are beginning to shut down because of the danger of the iron workers collapsing in the unbearable heat.

ANTI-TUBERCULOSIS FAIR A SUCCESS.

The net proceeds of "The Summer Fair" under the auspices of the Anti-Tuberculosis League, will reach the sum of \$5,500. A number of the principal business firms of the City and Dartmouth, by their generous donations helped to make the Summer Fair a financial success.

Benjamin B. Keefe, once a temperance lecturer in Nova Scotia, died in Ottawa recently. He will be remembered as the husband of the late Mrs. Bessie Starr Keefe.

The floral tributes were beautiful, showing the high esteem in which the deceased was held by his numerous friends. A splendid feature of the music rendered at the service was selections by the "Sunbeam" quartette of the Middleton Baptist church, F. E. Bentley, first tenor; J. H. Potter, second tenor; J. R. Allen, first bass; H. Layton, second bass.

The whole town extends sympathy to the widow and the large circle of bereaved ones. Dr. Morse will for a long time be missed in this community, for he certainly took a deep interest in public affairs, and had many friends wherever he was known. At the time of his death he was vice-president of the Valley Medical Society, having been elected on the 16th inst.

Death of Dr. Louis H. Morse

Digby Loses a Prominent Citizen and a Skilled Physician.

(Digby Courier)

The whole town was shocked Tuesday morning when the Masonic and Oddfellows flags were placed at half-mast, silently announcing to the public that their much respected brother, Dr. Louis H. Morse, had passed away. His death occurred at 8.30 a. m., caused by Bright's disease. He had been ill for about a year but did professional work until within a few days of his death. The deceased was one of Digby's most highly respected and best known citizens, and a valuable member of the medical profession, having been a very successful physician, and had up to the time of his illness, and in fact almost up to the time of his death, one of the largest practices of any doctor in the Province.

He was the son of the late Harding Morse, of Paradise, Annapolis County. He was born in Bridgetown 43 years ago last Monday. He was educated at Acadia, graduating from the class of 1891, and attended the closing exercises of that College a few weeks ago. He was Principal of the Bear River Academy for two years, after which he entered McGill Medical College, graduating with honors fourteen years ago, after which he came to Digby, and entered into partnership with Dr. Fred S. Kinsman, now of Truro. Later he purchased the entire practice of Dr. Kinsman and continued it alone, until his illness compelled him to get the assistance of Dr. Patton, of Oxford.

He married Miss Maye, daughter of Edward Clarke, of Bear River, who with two young sons, Louis, aged 8, and Eric, 7, survive him. He also leaves an aged mother, three brothers and four sisters, Arthur T. and J. Eugene, of West Paradise; Rev. Alfred, of Brooklyn, N. Y.; Mrs. I. M. Longley, of Paradise; Mrs. Hugh Fowler, of Wolfville; Mrs. John D. Spurr, of Deep Brook, and Mrs. J. F. Crockett, of Brooklyn, N. Y. He was a member of the Baptist Church, Past Master of King Solomon Lodge, A. F. and A. M., and a member of St. George Lodge I. O. O. F., and other societies.

The funeral, which was one of the largest ever seen in Digby, took place from the Baptist church yesterday afternoon, with interment in the Baptist cemetery. The services were conducted by Rev. Thos. S. Roy, pastor of the Digby Baptist church, assisted by Rev. A. J. Archibald, a former pastor, and Rev. G. W. Schurman, pastor of the Bear River Baptist church, all three being intimate friends of the deceased, the latter having performed his marriage ceremony. The service at the grave was conducted by Rev. Mr. Roy and the officers and members of King Solomon Lodge, many brother Masons being present from other lodges.

The funeral procession was formed as follows: The Clergy; the Valley Medical Society, represented by more than twenty-five prominent physicians; St. George Lodge of Oddfellows; King Solomon Lodge A. F. & A. M., and visiting brethren; the hearse and immediate mourners and a large following of friends. The pall bearers were H. L. Dennison, P. W. Holdsworth, T. E. G. Lynch and H. E. Jones.

Flags were at half-mast from many flag staffs and several places of business were closed during the funeral.

The floral tributes were beautiful, showing the high esteem in which the deceased was held by his numerous friends. A splendid feature of the music rendered at the service was selections by the "Sunbeam" quartette of the Middleton Baptist church, F. E. Bentley, first tenor; J. H. Potter, second tenor; J. R. Allen, first bass; H. Layton, second bass.

The whole town extends sympathy to the widow and the large circle of bereaved ones. Dr. Morse will for a long time be missed in this community, for he certainly took a deep interest in public affairs, and had many friends wherever he was known. At the time of his death he was vice-president of the Valley Medical Society, having been elected on the 16th inst.

CANADA

TWENTIETH CENTURY LAND.

Out from the mist of Humanity's sorrows; Out where the heralds of Destiny stand;

Rises the star of a world's Tomorrow Over the Twentieth Century Land.

Wind-swept of Heaven are the sentinel mountains;

Sun-kissed the prairies that melt into space;

Rivers and forest-girt lakes are the fountains;

Brimming with pulse-beats for Industry's race.

Soil of a million suns! Seed-time and reaping

Rouse thee from sleep with a Midas-tipped wand;

World-weary argonauts westward are keeping

Trust in the Twentieth Century Land.

Last of the Earth's virgin hearts to surrender;

Queen of an Empire that follows the sun;

Strong men are wooing thee—loyal and tender

Millions of patriots phalanx'd as one.

Dreams of the Ages in thee find fruition;

Free men rejoice as thy glories expand;

Beacon-lights burning, hold true to thy mission!

Canada! Twentieth Century Land!

Kaating From Digby

(Regina Standard, June 21st.)

One of the ancient landmarks is Nelly's blacksmith shop on Broad street, where the anvils have rung merrily and regularly for 22 years. The place has been renovated and enlarged a time or two, but it is the same old stand.

By persevering industry and uniform treatment of all customers, Mr. Neiley has built up an excellent business. He has seen the city grow from a hamlet and has steadily grown with it. He will take Mrs. Neiley down to the maritime provinces for a few months, but will himself return soon to take care of his other interests in this city.

Mr. Neiley, like most old-timers, has had a varied experience. He takes pardonable pride in the fact that through it all he never sued a debtor nor was he ever sued. Mr. Neiley is quietly disposed—a thinker and a reader. He is as sturdy in character as in physique, and possesses, in a marked degree, the respect and confidence of all who know him. With Mrs. Neiley he has for some years taken a substantial and very practical interest in all the affairs of the First Baptist church.

Mr. and Mrs. Neiley will not leave for a week or two, as some details of his business have to be wound up. Reference to his successor in the Broad street blacksmith shop is made in another paragraph.

Supplement to History of Annapolis County

To the Editor of Monitor:— Will you kindly allow me through your columns to call the attention of the people of the County to the fact that I am about bringing to a conclusion my Supplement to the History of Annapolis County, in which I hope every error in the genealogies in the original book will be corrected; but this cannot be unless persons who see errors in the records of their families send me a note of them. The publication of the original book cost me a good deal more than the returns amounted to and I expect to lose considerably by the coming volume and it will be disheartening not to get the materials to make it correct. I believe I am doing a good work for the benefit of the people of the County and ought to be helped in every way by those who should be interested. Among the families in whose records I have made important corrections are those of Armstrong, Bartauf, Bogart, Charlton, Dodge, (Granville) Marshall, McDormand, Morse, Parker, etc., etc. (Will the other County papers please copy? I hope to put it in the printer's hands in a fortnight.) A. W. SAVARY

Burglary at Sussex

The Safe in the Offices of the I.R.C. Freight Shed Here was Blown Open and Several Hundred Dollars Stolen.

(The Sackville Tribune.)

The safe in the Sackville freight offices was blown open last night and about one hundred dollars in cash and two to three hundred dollars in cheques were stolen.

Entrance was effected through a window near the safe, the window pried up, thus breaking the fastening. The tools to do the job were stolen from the blacksmith shop of Adam Amos, Lorne Street, a sledge hammer, a crow bar, a long screw driver and some pieces of iron being used to do the trick. The safe door was blown off completely, the rest of the safe being uninjured, that is so far as could be seen at a hasty glance. Three bags of beans and a bag of feed were brought from the freight shed to the offices for the purpose of deadening the sound, which the explosion would make. That the bags did the work is evidenced by the fact that a large desk only a few feet away from the safe, was uninjured, not even being scratched.

The burglars broke open a case of canned goods, and extracted, opened and partly ate three cans of peaches. The inference is therefore that there were three men engaged in the burglary.

A report from Amherst states that three conspicuous characters passed through that town this morning and it is possible that they are the parties wanted. The railway people here have communicated with Moncton and everything possible is being done to run down the burglars.

MINARD'S LINIMENT CURES PAIN

Released After Four Days In Annapolis Co. Jail

Walter Phinney of Lynn, Committed to County Jail for Passing Alleged Bogus Check, but Released on Acknowledgement of Check by Father.

The somewhat sensational arrest and trial on Wednesday last of Walter Phinney of Lynn for the passing of an alleged bogus cheque for \$100 at the Royal Bank, Bridgetown, ended yesterday by the money being returned to the teller, and the release of the prisoner from the Annapolis jail.

On Wednesday last, a message was received by chief of police Connell from Conductor Margeson of the east-bound Bluenose, saying that Phinney was on the train with a ticket for Halifax. It afterwards transpired that Phinney had tried to get Margeson to endorse a negotiable note with him, and Margeson had declined. Phinney was on his way to Halifax to play in a base ball game.

Policeman Connell, accompanied by Provincial Constable, Avard Anderson, met the Bluenose, and armed with a warrant issued by the Manager of the Bridgetown Royal Bank arrested Phinney, handcuffed him, and took him to the lockup. In a short time he was brought up before Stipendiary Magistrate Fay, where Crown Prosecutor, John Irvin K. C. took charge of the case. On the complaint being read over the prisoner demanded bail. Bonds were set by the magistrate for \$300. To allow the prisoner to communicate with his friends the examination was postponed to the following day, and he was taken by the constable back to the lockup where he spent the night.

On Thursday forenoon he was again brought before the Magistrate and the Crown Prosecutor, O. S. Miller acting

as attorney for the defense. Two uncles of Phinney, who is a son of John D. Phinney, of Lynn, formerly of Port Lorne, were present at the magistrate's court, and the prisoner supplicated them for funds to set him free from custody. Although quite able to grant their young kinsman's request they persistently refused, and evidently their knowledge of the young man's character and previous life did not inspire in them such confidence as would warrant them in assisting him. A message was read by the attorney for the prisoner, from the young man's father, by whom the cheque purported to have been signed, asking for time to arrange matters with the bank. The prisoner was then remanded to the County jail. On Monday, the money was paid back to the bank through an agent of the father, and the prisoner was released.

The cheque, which bore the father's signature, was drawn on a Lewiston, Maine, bank, and on presentation at that institution was dishonored, the bank claiming that Mr. Phinney had no account there nor had ever had an account. The father, however, assumed the responsibility of the cheque, simply stating that it had been drawn up by mistake. Whether there will be any further developments remains to be seen.

Walter Phinney is stated to be a married man, with a wife and child living in Lynn. He is well-known at Port Lorne where he generally spends a part of the summer.

Observes Her 103rd Birthday

Brother Aged 107 Splits Wood for Exercise.

Gloucester, June 22—Gloucester's oldest resident, Mrs. Lucy S. Hickey, today observed her 103rd birthday at the home of her son, Captain John C. Hickey, Burnham street. It is remarkable that the anniversary of her birth comes on the day of the coronation of George V., of whom she is a great admirer and for whom he was Prince of Wales.

She has one brother living, Joshua Selig, who is 107 years old and lives at Portugal Cove, N.S. He splits wood every day for exercise.

Mrs. Hickey was born and lived in Nova Scotia to May, 1909. She had never been farther than a radius of twenty miles of Halifax since her marriage until she came to this city to live. Of seven children, all but two are living. All of the girls in

the family married officers in the British army, four of whom are widows and live in England.

Some years ago she became interested in a boy in Halifax whose father had died. Mrs. Hickey practically brought him up. He pursued his studies, entered a theological seminary, and was ordained to the priesthood. Three years ago he was consecrated bishop and he is now Archbishop McCarthy of Halifax.

Mrs. Hickey recalls many prominent figures in British and Colonial life, and thrilling incidents. She witnessed the execution of the four mutineers from the merchant ship Saladin at Halifax in 1844. She knew Sir Colin Campbell, who won fame for his relief of Lucknow; General Penwick Williams, the hero of Karrs in the Crimean war; Sir Richard O'Grady Haley of Halifax, Sir Charles Hastings Doyle, former Governor of Nova Scotia, and Lord Sir Chief Justice Haliburton, known to the literary world as "Sam Slick."
