# Webster House

**S**ECOND Block from the Grand Trunk Station, St. James Street,  
and three minutes walk from the C. P. R. Station. Electric  
Cars pass the door for all parts of the City.

While the cuisine and attendance at this house is second to none  
in the city, its low rates have secured so large a patronage from the  
country, that it has recently been found necessary to enlarge it.

comfort of his guests renders his house the ideal home of the traveler.
