

GOVERNMENT HOUSE, OTTAWA,

23rd day of October, 1868.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON the recommendation of the Honorable the Minister of Customs, and under and in virtue of the authority given by the 10th section of the Act passed during the late Session of the Parliament of Canada 81st Vic. Cap 44, intituled: "An Act to amend the Act of the present Session, intituled: "An Act imposing duties of Customs with the tariff of duties payable under it," His Excellency in Council has been pleased to approve of the following additional Regulations respecting drawbacks claimed on the exportation of goods under the said 10th section of the Act above referred to, viz:—

REGULATIONS.

1st. Goods having been entered for duty and having passed into the hands of the importer, in cases where said goods are found not to be the goods ordered, notice of such fact may be given to the Collector of Customs at the Port of Entry, within one month of the date of such entry, accompanied by a request for leave to return the said goods to the place and party where and from whom the same were purchased, and that the duties paid thereon be refunded, whereupon the Collector having verified the statement of the importer, and having ascertained that the package to be re-exported is a whole package, and that its contents are identically the same as originally entered for duty, shall report the same to the Department, and the Minister of Customs shall thereupon issue an order to the Collector to refund the duties upon due proof of exportation; Provided that if such goods are not actually exported within one month from the date of such order it shall be void and of no effect.

2nd. Whereas cases frequently arise for which no general order or regulation is provided, in which goods upon which duties have been paid require to be exported, and injury or hardship may be endured by importers, to the disadvantage of the general commercial interests of the Dominion, unless some means of redress be provided, it is therefore ordered that in all such special cases, it shall be lawful for the Minister of Customs to consider the grounds and examine the merits of each application, and make such order thereupon, subject to the approval of the Treasury Board, as may, in his judgment, be necessary for the relief of the parties, and consistent with the interest and security of the revenue.

WM. H. LEE,

Clerk Privy Council.

GOVERNMENT HOUSE, OTTAWA.

Thursday, 1st day of October, 1868.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS it has been represented to His Excellency through the Board of Agriculture of the Province of Ontario, that the contagious disease or epidemic affecting Horned Cattle, which recently prevailed in many parts of the United States of America, has almost entirely disappeared, and it is therefore expedient that the Order in Council of the 13th August last, prohibiting the importation or introduction of Horned Cattle from the said United States of America into the Provinces of Quebec and Ontario, be revoked, and the importation of Horned Cattle into Canada, permitted under certain Regulations hereinafter mentioned,—

His Excellency in Council, on the recommendation of the Honorable the Minister of Agriculture, and under the provisions of Act 29 Vic. Cap. 15, has been pleased to order, and it is hereby ordered, that from and after the 31st day of October instant, the Order in Council of the 13th August last prohibiting the importation of Horned Cattle from the said United States of America into the Provinces of Quebec and Ontario, shall be, and the same is hereby revoked.

His Excellency in Council, under the authority aforesaid, has further been pleased to make the following Regulations, that is to say:

On, from and after the said eighth day of October last, all cattle intended to be imported or introduced into the Province of Ontario, at the Ports of Windsor or Sarnia, shall, previous to their introduction, be inspected by such person or persons as may be appointed for that purpose, and whose permission shall be obtained before such cattle shall be allowed to proceed to their destination.

All Railway Companies conveying such cattle shall be, and they are hereby, required to cause the cars used for the conveyance of the same to be thoroughly cleaned and disinfected immediately after the removal of the cattle therefrom.

These Regulations shall remain in force until the first day of November next, and longer.

WM. H. LEE,

Clerk Privy Council.

THE MERCHANTS' PROTECTIVE UNION
MERCANTILE REFERENCE REGISTER.

THE MERCHANTS' PROTECTIVE UNION, organized to promote and protect trade, by enabling its subscribers to attain facility and safety in the granting of credits, and the recovery of claims at all points, have to announce that they will, in September, 1868, publish in one large quarto volume:

THE MERCHANTS' PROTECTIVE UNION MERCANTILE REFERENCE REGISTER, containing, among other things, the Names, Nature of Business, Amount of Capital, Financial Standing, and Rating as to Credit, of over 400,000 of the principal merchants, traders, bankers, manufacturers, and public companies, in more than 80,000 of the cities, towns, villages, and settlements throughout the United States, their territories, and the British Provinces of North America, and embracing the most important information attainable and necessary to enable the merchant to ascertain at a glance the Capital, Character, and Degree of Credit of such of his customers as are deemed worthy of any gradation of credit, comprising also, a Newspaper Directory containing the title, character, price, and place of publication with full particulars relative to each journal, being a complete guide to the press of every county in the United States.

The reports and information will be confined to those deemed worthy of some line of credit; and as the same will be based, so far as practicable, upon the written statements of the parties themselves, revised and corrected by well-known and reliable legal correspondents, whose character will prove a guarantee of the correctness of the information furnished by them, it is believed that the reports will prove more truthful and complete, and, therefore, superior to, and of much greater value, than any previously issued.

By the aid of the Mercantile Reference Register, business men will be able to ascertain, at a glance, the capital and gradation of credit, as compared with financial worth of nearly every merchant, manufacturer, trader, and banker, within the above-named territorial limits.

On or about the first of each month, subscribers will also receive the Monthly Chronicle, containing among other things, a record of such important changes in the name and condition of firms, throughout the country, as may occur subsequent to the publication of each half-yearly volume of the Mercantile Reference Register.

Price of the Merchants' Union Mercantile Reference Register, fifty dollars (\$50), for which it will be forwarded to any address in the United States, transportation paid.

Holders of five shares of the Capital Stock, in addition to participating in the profits, will receive one copy of the Mercantile Reference Register free of charge; holders of ten shares will be entitled to two copies; and no more than ten shares of Capital Stock will be allotted to any one applicant.

All remittances, orders, or communications relative to the book should be addressed to the Merchants' Protective Union, in the American Exchange Bank Building, No. 123 Broadway, (Box 2566) New York.
