**READ ABOUT IT.** Times are hard, and subscribers come too slow to suit us. So, to increase our list, we have put up 1,000 packets of scarce South American Stamps, catalogued by Scott's 55th Edition at just \$1.04. Until exhausted we shall give one packet to every one remitting 25 cents and enclosing stamped, self-addressed envelope for a year's subscription to the

### EASTERN PHILATELIST

one of the oldest and best stamp magazines, 20 to 36 pages monthly, all original. Remember there are no Seebecks, Equador remainders or trash in this packet, but all desirable stamps that will grace any collection.

How do we do it? Well, we lose money on the offer, but want a subscription list of 3,000 by Feb. 15th, besides, we import the stamps direct and hence obtain them very cheap. Present subscribers can only obtain the premium by remitting 25 cents and stamp for which their subscription will be extended one year. Address,
