**“ A RELIABLE RUBBER ”**

“SLATER SHOE RUBBERS” are made to fit “SLATER SHOES” just as “SLATER SHOES” are made to fit feet.

The Slater Shoe Makers have put them on the market, not for the profit in them, but to give wearers a rubber that will combine the retention of shoe appearance and give absolute comfort.

Made from selected Para rubber, and as gold is in the money market, so is Para in the rubber market the acknowledged standard by which other rubber values are gauged.

Every pair has the name and price on the sole, and is absolutely and unquestionably guaranteed.

Only sold at the two Slater Shoe Stores in this City.
