

Strangers and new comers feel at home with us.

Read Carefully.

There is Great Need of more aggressive work among us. We fear that many of our members have fallen into deep spiritual slumber. There is great need of an awakening from the Holy Spirit.

Be Sure and read this carefully and then fill in and sign your name; Realizing my need of religious quickening, I hereby promise with God's help to be more faithful in all my religious duties and to attend regularly as many of the services of the church as possible. Furthermore, I promise to take such part as I know will be pleasing to God and the progress of the Kingdom of Christ.

Oct. 28th, 1900.

Signed.....

There Seem to be members of our Church who do not regard the covenant which they signed in their baptism to loyally support the church. That such members are found in all churches and organizations does not excuse us or them. The disciples obtained the Spirit of Power, because they were with one accord in one place. Jesus Christ established His church for the salvation of the world. He made the interests of the church the first interest in life. Those who neglect the church are opposing the teachings of Christ, and living in sin. At the last day our little excuses will not avail. The Apostolic Church made progress just as the members unitedly followed the Lord Jesus, seeking lost sinners. We need to pray most earnestly for wandering ones. We ought to go out for them and constrain them to come to there Father's house.

How Many Strangers have you given a hearty handshake in our Church? We have the name of being a very social Church. There is plenty of opportunity for improvement.
