**SCHOOL FURNITURE.**

The Bennett Furnishing Co., of London, Ont., make a specialty of manufacturing the latest designs in Church and School Furniture. The Catholic clergy of Canada are respectfully invited to send for catalogue and prices before awarding contracts. We have lately put in a complete set of pews in the Brantford Catholic Church, and for many years past have been favoured with contracts from a number of the clergy in other parts of Ontario, in all cases the most entire satisfaction having been expressed in regard to quality of work, lowness of price, and quickness of execution. Such has been the increase of business in this special line that we found it necessary some time since to establish a branch office in Glasgow, Scotland, and we are now engaged manufacturing pews for new churches in that country and Ireland. Address, **BENNETT FURNISHING COMPANY,** London, Ont., Canada. References.—Rev. Father Bayard, Sardinia; Leupen, Brantford, Moholy, Ingersoll; Corcoran, P. O. Hill; T'oby, Kingston; and Rev. Bro. Arnold, Montreal.

**EPPS'S COCOA**  
 BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.
