THE attention of Parents and Guardians of
Students attending the Academy and College is
respectfully called to the necessity of stated pro-
fessional care for their teeth, even in the case of
the youngest. These important organs are health-
fully preserved at little annual expense when ex-
amined quarterly by a Dentist, and if need be
operated upon, the patient receiving instruction
for their care.

Dr. P. will readily give further information at
his office or by letter. Patients thus entrusted to
him will be duly attended to; and a diagram sent
of the condition of the teeth and all operations
performed thereon.
