ANNUAL MEETING.

MEMBERS will please bear in mind that the annual adjourned business meeting for election of officers, &c., will be held next Tuesday evening. A full attendance is desired. Tea will be served at 6.30.

CAMP WORK.

AT a meeting of the Executive Committee of the Provinces of Ontario and Quebec, it was decided that henceforth the camp work should be assumed by that organization, as the work, strictly speaking, is of a general character. Of course local Associations will be expected to take supervision of detail, &c., but the expense will be chargeable to the country at large. The committee has authorized the publication of a special edition of our BULLETIN, in which will appear a statement concerning all the camp work of this season. This renders it unnecessary for us to give the report promised in our last issue.
