Higgins' Drawing Board and Library Mucilage

IS everywhere admitted to be the most desirable adhesive for the uses intended, ever put upon the market. It is a semi-fluid, of great strength and body, specially prepared for mounting paper on the drawing board, for repairing and labeling books, and for wood, cloth and leather work generally. Librarians have found it exactly suited to their needs, and it has become recognized as the only adhesive for library work that gives perfect satisfaction. For use as an ordinary mucilage or paste it may be diluted with 25 to 50 per cent.

of water. This article should be carried by every progressive dealer.
