

## NEWS AND NOTES.

## CATARRH—A NEW TREATMENT.

Perhaps the most extraordinary success that has been achieved in modern science has been attained by the Dixon treatment for catarrh. Out of 200 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is among the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting with the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has ever attempted to cure catarrh in this manner, and no other treatment has ever cured catarrh. The application of the remedy is simple, and can be done at home, and the present season of the year is the most favorable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 305 King Street West, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—

CHEAP MEDICINE CHEST.—For lumbermen, for sailors, for miners, for hunters, for factories, for farmers, Minard's Liniment, Minard's Honey Balsam, Minard's Family Pills. These three valuable remedies will cure nearly all diseases the human family are liable to.

I have more than once heard "swagmen" in Australia say, "I never asked for work yet that I did not pray I should not get it!"

## ADVICE TO MOTHERS.

Mrs. WINSLOW's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhea. 25c a bottle.

MY OLD FRIEND.—A gentleman who had been afflicted with rheumatism for twenty years used Minard's Liniment and is perfectly cured. It is our old friend for all aches and pains.

No wonder there are so many failures both at home and in the Colonies when men refuse to work.

It seems to be pretty well understood that children must be sick at times, we would say to all anxious mothers that Nestle's Milk Food is an excellent preventive of cholera infantum, and all such complaints so common to children.

THE OLD PLAN AND THE NEW.

Mr. James F. Morse, Vice-President of the SECURITY MUTUAL BENEFIT SOCIETY OF NEW YORK, 223 Broadway, has recently placed insurance to the amount of \$100,000 on the lives of Ex-Senator Arkell and his son, W. J. Arkell, proprietor of the Albany Evening Journal and the Judge. This insurance has been placed in the above-named and other leading companies doing business on the assessment plan. The annual cost of carrying it will be less than a thousand dollars. In the old life or level premium companies the cost would be four thousand five hundred dollars. The Arkells are among the leading business men of the country, and their indorsement of this method of life insurance will carry weight in the business community.

THE SECURITY MUTUAL BENEFIT SOCIETY was organized in 1881, and we learn that the cost for assessments to a member forty years of age has been less than five dollars a year for each thousand dollars of insurance.

It's very hard to know exactly where to draw the line in Emigration matters. There never was a subject to which the old proverb "Two of a trade can never agree" can be more truly applied.

NEW YORK WANTS IT.—Mrs. R. Lissman, 344 East 78th St., N. Y., writes, "Send me another gross Minard's Liniment by express at once. I consider it the only rheumatism and neuralgia cure yet found. The last lot has cured many persons of rheumatism and neuralgia of long standing. What will you let me have the agency for New York as every rheumatic patient wants it."
