A curious fashion has come into vogue in Paris. In all the cemeteries boxes with a slit in the lid are placed on the tombstones to receive the cards of visitors. The relatives of the deceased are thus enabled to see among the living still cherish the memory of their departed friends.

ADVICE TO MOTHERS.

Mrs. WINSLOW'S Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

Gracious hearts are like stars in the heavens, which shine not by their own splendor. He that takes the brick must give the straw to make it. There is no water, except he smite the rock, nor fire, except he strike the flint.

TO THE DEAF.

A person cured of Deafness and noises in the head of 23 years' standing by a simple remedy, will send a description of it Free to any Person who applies to Nicholson, 177 McDougal street, New York.

A Merchant writes: 'Minard's Liniment has saved many from a terrible death here, as diphtheria has been very prevalent, Minard's Liniment, cures it every time when internally and externally. For Congestion and all Throat and Lung disease it is equal to a doctor in the house.'

To be agreeable in society it is necessary not to see and not to remember many things.

C. C. Richards & Co.,

Gents.—For several years I was a great sufferer with Neuralgia in my head, so that all my hair came out and left my head entirely bald. I used 'Minard's Liniment' freely on my head, which entirely cured my neuralgia, and after using several bottles to my astonishment I found the hair rapidly growing on my head, and now I have as good a head of hair as I ever had, and would recommend all to use 'Minard's Liniment' who have lost their hair from diseases, as the Liniment will positively give you a good crop again.

CORN SOWING

Is a process conducted by the agency of tight boots all the year round. Corn reaping is best conducted through the agency of Putnam's Painless Corn Extractor, the only safe and sure pop corn cure. Putnam's Extractor is now widely imitated. Beware of all poisonous and sore producing substitutes.

He that gives good advice builds with one hand; he that gives good counsel and example builds with both; but he that gives good admonition and bad example builds with one hand and pulls down with the other.

Mrs. Uriah Johnstone, of River Herbert, writes: 'Minard's Liniment cured me of a very sore nose, and also inflammation in the eyes. It is the cure all and I believe it is the best inflammation allayer and pain killer in the world. It sells every day.'

The State of Louisiana was ceded to Spain in 1762, ceded back to France in 1803, sold to the United States in 1803, admitted to the Union in 1812.

In the process of photographing colors, lately discovered, the photographs are taken on glass and paper, and the tints range from a deep red, through yellow, to bright blue, but green is absent in all the positives. Very long exposure is required.
