

Of all the financial institutions of Canada receiving money on deposit, only three have a Paid-up Capital as great as that of the Canada Permanent Mortgage Corporation, Toronto Street, Toronto.

A deposit account with this exceptionally strong institution may be opened with one dollar. Interest allowed at three and one-half per cent. per annum, compounded half-yearly.

THE haste to get rich often leads many a person who has money to invest to speculate in bonds and stocks ground out by speculators during good times when everything is on the boom, and which, when times are hard and the investor is most likely to need his money, must be sold at a great loss. We would advise you not to speculate with this class of stock, but to invest your money in the Debentures of The Standard Loan Company, which bear interest at the rate of five per cent. per annum, payable half yearly; interest coupons are attached to debenture made payable to bearer. 8
