Mercantile Summary.

In the six months since January 1, 1889,
there have been but 296 strikes of workmen in
the United States; in the first half of 1888
there were 389.

THE Montreal offices of the Confederation
Life Association have been removed to one of
the handsome apartments in Nordheimer's
new block, No. 207 St. James street.

MESSRS. INNES & RICHARDS, dealers in real
estate at Vancouver, have sent us a copy
of *The West Shore*, mainly devoted to the com-
mercial and manufacturing interests of that
city.

A new steamer called the "Princess Bea-
trice" has arrived at Halifax for a company
which places her on the route between P. E.
Island, the eastern ports of Nova Scotia, and
Halifax.

TRURO, N.S., has voted a subsidy of \$30,000
to the Hants Central Railway scheme, which
is to connect that town with the Windsor and
Annapolis railway at Windsor, and will open
up a very fertile country that now suffers for
want of railway facilities.

In Cawood Township, near the Gatineau
River, Mr. Haywood, of Ottawa, has explored a
property, lot 22 on 1st Range, on which he
finds six openings showing large mica crystals
of good quality. On lots 17 and 18 there is a
good show of the same mineral.

"GIVE me," said an examiner in philosophy,
"an example of fiction founded on fact?" It
was a wide-awake western lad who replied:
"A lady's bustle." We understand that Messrs.
Brush & Co., manufacturers of Ball's corsets,
corner Bay and Adelaide streets in this city,
have bought out the firm of Glynn & Co.,
makers of the "Pansy" bustle, which it is
no fiction to say gives substantial satisfaction
to buyers.
