are the best value in the city, and we're putting our best foot forward to give the student population of Toronto the best money's-worth to be had anywhere.

Shredded
Wheat
Biscuits

has the endorsement of all thinking men. G. W. Wright, Professor of Physics and Chemistry, Macdowell High School, Macdowell Pa., gives the following endorsement: "We have been users of your Shredded Wheat Biscuit for some time and are greatly pleased with its many estimable qualities; it has an undeniably great food value, it possesses those 'staying qualities' that are so often lacking in the popular cereal foods."

The Natural Food Co.
