

THE OIL OF A MILLION TESTS

The secret of successful scientific oil refining is painstaking care and unceasing vigilance. In making **En-ar-co Oils**, we average over a million tests a year. It is only by this multiplying of tests that perfect products can be made. This thoroughness in our scientific refining processes is the protection we offer to users of our products.

For thirty-nine years this Company has been producing, refining and marketing the utmost in quality in petroleum products.

This Company produces its Own Oil from its Own Wells. Conveys Through its Own Pipe Lines, Transports in its Own Tank Cars, Steamers and Barges, Operates Large Modern Refinery, Maintains Branches in thirty-five Cities and Employs nearly 800 People.
