

Questionnaire B - Question 1

Reply from:

CANADA

You are asked to suggest, among the activities planned by organizations and institutions in your country* during the 1979-1980 biennium, those (maximum five) which might be of interest to several other Member States and provide occasion for co-operation with Unesco, in one of the fields defined by the objectives of the Medium-Term Plan.

Name of country or non-governmental organization

National activities or programmes	Objectives (quote numbers only)	Themes or target components (quote numbers only)
Review and analysis of representative and experimental basin data collected during IHD and IHP. Analysis will test against a variety of models and compare results to test transposability of basin study results (19 C/5 para 2250).	7.3	01
Experimental projects in small scale environmentally acceptable human habitat design, including the Prince Edward Island "Ark" and other programs exploring related concepts (See Annex I)	7.2 7.5	05 and 01
"Child in the city" study (See Annex II)	7.5 7.7	and 03 01
