

2. The Parties, through their respective appropriate governmental authorities, shall consult on matters of mutual interest related to the physical protection of nuclear material, material, equipment, and technology subject to this Agreement, including those matters concerning physical protection during international transportation.

ARTICLE 12

Consultations and Administrative Arrangements

1. The Parties shall consult at any time, at the request of either Party, to ensure the effective implementation and interpretation of this Agreement. The IAEA may be invited to participate in these consultations at the request of both Parties.

2. The Parties, through their respective appropriate governmental authorities, shall establish administrative arrangements to facilitate the effective implementation of this Agreement. These arrangements shall include the procedures necessary for the appropriate governmental authorities to implement and administer this Agreement.

3. Each Party shall, at the request of the other Party, inform the other Party of the findings of the most recent IAEA report on the IAEA's verification activities in its territory, relevant to the nuclear material subject to this Agreement.
