MINISTER FOR INTERNATIONAL TRADE
ANNOUNCES COMPOSITION OF
SECTORAL ADVISORY GROUPS ON INTERNATIONAL TRADE

The Honourable Pat Carney, Minister for International Trade, today announced the composition of 15 Sectoral Advisory Groups on International Trade (SAGIT).

The selection process was concluded in close cooperation and consultation with various national trade groups and associations, provincial governments, and labour.

The 15 SAGIT are part of an advisory committee structure which will provide a two-way flow of advice and information between the government and the private sector on international trade matters. Their role will be to ensure that sectoral views are fully taken into account on all trade matters.
