

NOTICE PAPER

Inquiries of Ministry—On Monday next

No. 1,333—*Mr. Beer*—January 25

1. How many persons came to Canada in each calendar year 1950 to 1962 inclusive, from which countries did they come and what are the numbers from each country?
2. How many persons left Canada during the same period by years, and to which countries did they migrate?

*No. 1,334—*Mr. Robichaud*—January 25

In recent years, has a survey been made on conditions of the outside channel at Shippegan Gully, Gloucester County, N.B., and, if so (a) when was such a survey completed (b) what was the average depth of water found at low tide throughout the main channel leading to Shippegan Gully Breakwater (c) is it the intention of the government to proceed with dredging operations to improve that channel in order to accommodate the local dragger fleet?

No. 1,335—*Mr. McIlraith*—January 25

1. Is granite specified for use in the construction of the new building for the Department of National Health and Welfare at Tunney's Pasture and, if so, what steps are being taken to ensure that the granite being used meets the standards of quality specified?
2. Has any of the granite supplied to date failed to meet such standards?

No. 1,336—*Mr. Martin (Essex East)*—January 25

What research programs connected with determining the causes of hearing handicaps among children are supported under federal health grants?

No. 1,337—*Mr. Dubé*—January 25

1. Has the C.N.R. lowered the price of passenger tickets and at the same time increased the rates for sleeping-car accommodation and, if so, what effect does the Company anticipate this will have on all classes of passengers?
2. Do the new rates for sleeping-car accommodation include meals and, if so, is any adjustment made on those rates where passengers embark after their normal dinner hours and disembark before breakfast is served?
3. Is reimbursement provided for sleeping-car passengers who, for one reason or another, do not or cannot use the services of the diner car?
