Montreal.

Dear Mr. Sise:-

Thank you very much for your invitation to dine with you tomorrow night at the University Club.

It is impossible for me to go because at that time I am attending a meeting of the Committee of the Officers' Training Corps and some ex-officers of that Corps, in order to receive officially a cup which the ex-officers are presenting for competition.

I am looking forward to joining the meeting of the Council of the Graduates' Society later in the evening.

Yours faithfully,

Principal.
