

July 20, 1928.

Dr. G.R. Lomer,  
University Librarian,  
McGill University.

Dear Dr. Lomer:-

Please note the enclosed papers.

I would be willing to charge \$50. to my budget if you have any way of finding the balance. This is a very small contribution, but I suppose we cannot get every thing we want.

Yours faithfully,

Wilfrid Bovey.
