## THE PROFITS OF A GOOD HARVEST

Can not be fully appreciated without some of the necessities and comforts of home.

## OUR TEAM OF HEAVY DRAFTS

FOR THIS SEASON ARE

## FURNACES & EAVETROUGHING.

We handle a complete line of all the reliable Canadian and American makes of Furnaces, with a competent staff of workmen to place them. With our new Saxonburg trough press, a trough of beautiful design and finish is completed, each piece being 8 feet long, in strong contrast to the short, deformed pieces made by hand, you will save the price of troughing either barn or house in one year. Estimates cheerfully given to all intending purchasers.
