

WAITING AT THE CROSS.

J. H. ANDERSON.

1 Je - sus, I am wait-ing now, Wea - ry, worn, and weak; At the cross I'm bending low,

D. S. Speak the bless-ed word to me,

Fine. Chorus.

D. S.

Peace and rest I seek. Je - sus, I am wait - ing now, Long-ing to be blest;

"Come, I'll give thee rest."

2 Long I've wandered far from Thee,
In the paths of sin;
Let my sorrow plead for me,
Jesus, take me in.

3 Chase my heart's unrest away,
Bid its troubles cease;
Let me feel Thy love to-day,
Give me Thy sweet peace.
