#### GUT OFF 40 HOTELS MORE | REJECTS APPLICATION ALSO 25 SHOP LICENSES

Another Referendum Next January, But Opinions Clash.

ferendum on Jan. 1, 1910, for the cut-special of the Ontario Bank ing off of 40 more hotel liquor licenses and 25 shop licenses as well, has begun

It appears, however, that there is a temperance workers as to whether the tampaign should be pushed forward or whether several years should be allowed to elapse before attempting further reduction. So strongly marked are those conflicting opinions that friction is hinted at in well-informed quaron is hinted at in well-informed quar-

perance cause in Toronto is adverse to pushing the battle further for the present. Rev. Ben. H. Spence, who presides over the destinies of The Pioneer organ, Is understood to be opposed to another referendum for two or three years at least, and his attitude isn't to the liking of other cold water propasandists, who want the city turned into armed camps on the reduction issued from one year to another.

and the shareholders have the option independently the claim of contesting independently the claim of contesting independently the claim of the Bank of Montreal. Referee Kapelie directors were elected: Alfred Powis, Gr. R. Smith, John E. Brown, B. O. F. R. Smith, John E. Brown, B The official machinery of the tem-

brought up again for some years. While the city council has a reductionist majority, it is more than doubtful whether the proposal to submit another referendum would carry, as there is a strong feeling against any more infusion of temperance issues for a long time to come.
