

Holloway's CORN CURE THE GREAT ANNIHILATOR

FOR THE REMOVAL OF ALL KINDS OF
CORNS, WARTS, Etc.

A CORN is simply a thickened cuticle or scarf skin, and is produced by continuous uneven pressure, such as wearing tight or ill-fitting boots or shoes. If not attended to promptly they gradually sink into the mucous network, and then into the true skin, which is the organ of touch. They cause intolerable pain, and sometimes inflammation to such an extent as to form an abscess.

For the Cure of Corns there is nothing better than "HOLLOWAY'S CORN CURE."

Since the introduction of this medicine, it has given remarkable satisfaction. It removes these troublesome excrescences without pain or inconvenience, and is not injurious to the skin. It is safe, sure and effectual, consequently destroys them root and branch. There is no corn existing that it will not cure, if the directions are followed. Give it a trial, and you will not regret doing so.

WHAT IT HAS DONE.

Mr. Joseph Wallace, Louisville, writes:—"I suffered with corns for 40 years, for the last two or three years I could scarcely walk except by the help of a cane. I tried different kinds of corn cures, but got no relief until I got a bottle of Holloway's Corn Cure. After applying it for a

few days only, I removed the corns root and branch. I have pleasure in recommending it to all sufferers."

Mr. William Frank, Peterboro', writes:—"I was troubled with a corn for thirty years. I had it operated upon by four different corn doctors, but it was only by the use of Holloway's Corn Cure that a cure was effected."

ENTIRELY CURED.

Mr. J. W. Brown, Chicago, Ill., writes:—"Where can I get some of Holloway's Corn Cure? I was entirely cured of my corns by this remedy, and I want to get some more to give relief to some of my friends."

Mrs. George Simpson, Toronto, says:—"I have suffered severely with corns, and was unable to get relief from treatment of any kind until I was recommended to try Holloway's Corn Cure. After applying it for a few days I was enabled to remove the corn, root and branch—no pain whatever, and no inconvenience in using it. I can heartily recommend it to all suffering from corns."

Mr. Thomas Sabin, of Eglinton, says:—"I have used Holloway's Corn Cure with the best results, having removed ten corns from my feet. It is not a half-way cure or reliever, but a complete extinguisher, leaving the skin smooth and clear from the least appearance of the corns."

WARTS REMOVED.

Mr. John Atkinson, Cheapside, writes:—"Holloway's Corn Cure removed half a dozen warts from my hands."
