Dr. Chase's Ointment**

After Nine Years of Agony He Escaped an Operation by  
Using This Great Healing Agent.

As a means of healing sores and  
wounds that defy ordinary treatment  
Dr. Chase's Ointment has long stood  
supreme. It is  
known far and wide  
as a positive cure  
for eczema and  
piles. Whatever  
uncertainty there  
may be about the  
results obtained by  
the use of medicines  
taken internally  
there can be no  
question of the  
healing of the skin  
when Dr. Chase's  
Ointment is applied.  
You can actually  
see with your own  
eyes just what takes  
place. The sore parts are cleansed.

MR. HEATH.

and gradually the new skin is formed  
and the sore becomes smaller and  
smaller until it finally disappears. It  
is often wonderful the results which  
are accomplished in a single night by  
the use of this great healing ointment.  
Mr. N. A. Heath, J.P., Fitch Bay,  
Que., writes:—"Nine years ago I was  
taken with an abscess, and cannot be-  
gin to describe what I have since  
as a result. I was examined by two  
doctors, both of whom said I would  
have to undergo an operation to be  
cured. Thanks to Dr. Chase's Oint-  
ment, it has rendered an operation  
unnecessary, and has completely  
cured me. I cannot say enough in  
praise of this wonderful ointment  
which cured me after nine years of  
agony."

It is said that employees in tanneries,  
printing ink factories and breweries are  
immune from consumption; those in tur-  
pentine and rope works are immune from  
rheumatism; workers in copper mines  
need not fear typhoid, and lat roofers  
need not fear dysentery.

**DOCTORS DID  
NOT HELP HER**

But Lydia E. Pinkham's Veg-  
etable Compound Restored  
Mrs. Bradley's Health—  
Her Own Statement.

Winnipeg, Canada.—"Eleven years  
ago I went to the Victoria Hospital,  
Montreal, suffering with a growth. The  
doctors said it was a tumor and could  
not be removed as it would cause instant  
death. They found that my organs were  
affected, and said I could not live more  
than six months in the condition I was in.  
"After I came home I saw your adver-  
tisement in the paper, and commenced  
taking Lydia E. Pinkham's Vegetable  
Compound. I took it constantly for two  
years, and still take it at times, and  
both my husband and myself claim that  
it was the means of saving my life. I  
highly recommend it to suffering  
women."—Mrs. ORILLA BRADLEY, 284  
Johnson Ave., Winnipeg, Manitoba, Can.

Why will women take chances or drag  
out a sickly, half-hearted existence, mis-  
sing three-fourths of the joy of living,  
when they can find health in Lydia E.  
Pinkham's Vegeta-  
ble Compound?

For thirty years it  
has been the stand-  
ard remedy for fe-  
male ailments, and has re-  
stored the health of  
thousands of women  
who have been trou-  
bled with such ail-  
ments as displacements, inflammation,  
ulceration, tumors, irregularities, etc.

If you want special advice  
write to Lydia E. Pinkham Med-  
icine Co. (confidential) Lynn,  
Mass. Your letter will be opened,  
read and answered by a woman,  
and held in strict confidence.
