

ALLOCATION FOR 1926 ADOPTED BY PRESBYTERY

To Reorganize Circuits on Outskirts of City — Endorse Deacons Work

At the afternoon session of the Saint John Presbytery of the United Church of Canada, held yesterday in St. Andrew's church, the report of the allocation committee for the extension and maintenance fund was adopted. Hon. J. G. Forbes, protested against the amount allotted to St. Andrew's church.

A committee was appointed to consider rearrangement of the Silver Falls, East Saint John and Little River fields and it was decided to ask the Women's Missionary Society to assist the work of the Saint John deacons, Miss Mabel Smith, by having the society in each church name a member on a committee to consult with the deacons. Rev. Dr. McConnell, superintendent of home missions, told of altered plans for the fall conventions by which the convention at Saint John is dropped and one in Halifax next month will be the only one arranged for these provinces at the present time. A special session on religious education will be held at next Presbytery meeting.

SUBMITTALS AMOUNTS.

Mr. Somerville submitted the allocations of the maintenance and extension fund and explained that of the amount \$26,000 to be divided between the Saint John and St. Stephen Presbyteries, the St. Stephen Presbytery had assumed responsibility for \$7,000 and the Saint John Presbytery was to be responsible for the balance, \$23,000.

SPEAKS OF WORK

Mr. Somerville spoke of the excellent work of the deacons in Saint John, who wanted to have a suitable room to work in and he asked that each United church in the city should have one woman as a member of a deacons committee.

RESOLUTION BROUGHT IN

A resolution was brought forward that the ministers be requested to ask the W. M. societies to name one member to act on such a committee. An amendment was put and carried to the effect that the city W. M. S. be requested to attend to this matter promptly.

SILVER FALLS CASE

Rev. Hugh Miller, of Silver Falls, said his field had six preaching stations and on the last two Sundays he had had to travel 60 miles and yet was receiving help from Saint John ministers.

He advocated dividing the field. Rev. E. E. Styles thought the field should be reorganized.

An investigation committee, representing Silver Falls, Little River and East Saint John, to make a report on the matter was appointed as follows: Rev. H. A. Goodwin, Rev. E. E. Styles and T. H. Somerville.

A re-arrangement of the Springfield circuit, so that a monthly service should be conducted at Stewardton during the winter, was suggested. It was reported new families had come to Irish Settlement and services were now held there.

The matter was left to Dr. Ross and Rev. Mr. Soden.

ASKS ONE SESSION

Rev. H. B. Strothard, convenor of the religious education committee, asked that one session of the next meeting of Presbytery be given over to addresses and discussion of religious education.

It was agreed that the special session on religious education should be held at the next meeting of Presbytery. It was agreed the next meeting was to be held in St. Andrew's church at 10 a.m., the date to be set by the executive.

Weddings

Bowman-Edwards.

The home of Mr. and Mrs. W. J. Edwards, 73 Queen street, was the scene of a very pretty wedding at 8 o'clock last evening when their daughter, Miss Helen Agnes Edwards, became the bride of Albert Joseph Bowman, son of Mr. and Mrs. David Bowman, of Edmonton, Alberta. Rev. H. A. Cady performed the marriage ceremony in the presence of relatives and friends. The bride wore a dress of white satin with a train and carried a bouquet of white flowers. The groom wore a tuxedo and carried a sword.

The bride, who was given in marriage by her father, was becomingly attired in a dress of golden sun and rose satin, gold shoes and stockings, and large black picture hat, and carried a bouquet of white flowers and a corsage. She was attended by her sister, Miss Margaret Edwards, who wore a dress of channel red crepe with hat to match and carried an old fashioned nosegay of sweetheart roses and sweet eglantine. The groom was supported by Shirley A. Peters.

Miss Katharine Fox, who supplied the nuptial music, rendered several appropriate selections during the signing of the register.

At the close of the ceremony the bride and groom proceeded to the dining room to the strains of Mendelssohn's wedding march. The bride was charmingly gowned in black crepe backed satin with cream overalls and wore a corsage bouquet of sweetpeas and fern. The drawing rooms were beautifully decorated for the occasion with profusions of cut flowers, maple leaves and ferns. In the dining room the color scheme was pink and white, and the bride's table was attractively decorated with pink and white asters in silver baskets and was centered with a beautiful wedding cake, above which was suspended a canopy of white streamers.

A buffet luncheon was served by Miss Irene McCormack, Miss Gwendolyn Wilson, Miss Pearl Cooper, Miss Kathleen Connor, Miss Olive McCormack and Miss Kathleen Wilson.

Mrs. Frank Bell and Miss B. Earle of Hampton poured. Among the many lovely gifts of silver, glass and linen, which attested to the popularity of the young couple, was a substantial picture, a gift of Martin V. Murphy of New Glasgow, N.S., the bride's grandfather.

The groom's gift to the bride was a sun of money, to the bride's maid and groomsmen, gold engraved fountain pens, and to the organist, a bracelet.

Following the reception Mr. and Mrs. Bowman left on a wedding trip through Nova Scotia and Prince Edward Island. Their many friends will extend best wishes for future happiness.

Out-of-town guests attending the wedding were Miss Gwendolyn Wilson, of Amherst, and Martin Murphy, of New Glasgow.

Burgess-Carter.

The marriage took place in Vancouver, B. C., on Aug. 31 of Miss Mary Carter, daughter of Frank B. Carter, of Barreville, N. B., and John Burgess, of Quabbin Branch, Henry Burgess, of Reading, England. Only relatives and immediate friends were present. The bride was given away by her brother-in-law, Walter Hume, and Albert Burgess, brother of the bridegroom, was best man. During the ceremony "Love's Coronation" was sung by Master Ralph Lear. Mr. and Mrs. Burgess left for a trip to Vancouver Island and will reside at Qualicum Beach, B. C.

Bennett-Teed.

DORCHESTER, N. B., Sept. 28.—Holy Trinity church, at 8:30 o'clock this afternoon was the scene of a very pleasant event, when Miss Dorothy Isabel Teed, daughter of the late M. G. Teed, K. C., and Mrs. Teed, Saint John, became the bride of George Arthur Bennett, son of Mrs. Joel Bate, Tillamook, Ontario. The ceremony was performed by Rev. George Edgar Trueman and the choir of the church was in attendance.

Given away by her brother, J. F. H. Teed, Saint John, the bride was charmingly attired in a French model dress of white satin with finely pleated georgette inset, outlined in pearl beading, a long court train of white drapery, from the bride's shoulders and she wore a veil of Brussels net with orange blossoms and carried a bouquet of white roses and sweetpeas. She also wore a string of pearls, the gift of the groom. Four flower girls, Misses Peggy and Dorothy Palmer, Ottawa, and Hazel and Beth Teed, Saint John, all nieces of the bride, were in attendance. She was also attended by Miss Doris Sharrles, Quebec, maid of honor, and by her sister, Miss Constance Teed, bridesmaid.

Acting as best man was Gerald Teed, brother of the bride. The ushers were

Young Men Farewelled as They Begin Course for Ministry

A social gathering and supper was held in St. Mary's church rooms last night to bid farewell and Godspeed to two members of the congregation, Frank Jordan Coleman and Ronald Brundage, who are leaving shortly to take up studies in training for the ministry. Mr. Coleman goes to Wycliffe College, Toronto, and Mr. Brundage goes to King's College, Halifax.

During the evening Rev. R. Taylor McKim, rector of the church, made the presentation of a well filled purse to Mr. Coleman and expressed the good wishes of the congregation to both young men, who replied suitably. Short

speeches were also given by Rev. John Unsworth, Rev. Harry Coleman, Rev. A. J. Patstone, of Westfield, who is conducting special services in the church this week by the church wardens, Herbert J. Barton and William T. Ingham, and by J. N. Rogers, who for many years has been lay reader at St. Mary's.

The excellent supper was served by the ladies of the church and the grace was offered by Rev. H. R. Coleman, who is a brother of Frank Jordan Coleman, and completed his theological course this year and was appointed rector at Fort Hill, P. E. I.

St. Mary's church at the present moment has a remarkable record in providing men for the ministry. Besides Rev. H. R. Coleman, another member of the congregation, Rev. M. Alexander, took holy orders this year. Mr. Alexander is now stationed at Moncton, N. B.

HEROISM OF WOMEN

It may be the women in your own home who have to smile and make those around them comfortable and happy, while they themselves are racked with pain and misery caused by some woman's ailment about which they keep silent. Few men realize how common such heroism is. The best known remedy for this condition is Lydia E. Pinkham's Vegetable Compound, made from roots and herbs. For over 50 years it has been making sick and ailing women well and strong.

BOYS FOUND GUILTY.

Two juveniles appeared before Magistrate Adams in the East Saint John court yesterday afternoon, and were found guilty of breaking and entering the store of G. E. Howard, East Saint John, Saturday night and stealing goods to the value of \$28.

One boy was sentenced to a term in the Boys' Industrial Home, while the other was allowed to go with his father, who promised to look after him in the future.

The accident occurred as Mr. Kinneer was passing through the village with a teamload of produce for the

Moncton market. The horses were walking at the time.

Mr. Kinneer noticed the child playing in the roadway before he got to the house but she was too far to see. The child was playing with a dog at the time and it is presumed that after the horses had passed her and when Mr. Kinneer back was towards her she dashed between the wheels.

Coroner Dr. H. H. Coleman, of Moncton, was notified of the affair and hastened to the scene. He empaneled a jury which assembled in Dr. Logan's office to hold an inquest and the case was adjourned to Friday afternoon.

Y. M. C. A. AUXILIARY

Plans for the new season's activities were made at the meeting of the Ladies Auxiliary of the Y. M. C. A. held yesterday afternoon at the Association building with Mrs. D. R. Willet, president, in the chair and Mrs. A. H. Chigman taking over her new duties as secretary. The members expressed much pleasure in welcoming back Mrs. Hogg the former house mother, who had returned to take charge once more after an absence of about a year and a half. Arrangements were completed for holding a rummage sale on Oct. 18.

FOUR-YEAR-OLD SALISBURY GIRL MEETS DEATH

Instantly Killed When Crushed Under Wheels of Heavy Wagon

SALISBURY, Sept. 28.—A shocking accident occurred here this morning when the four-year-old daughter of Mr. and Mrs. Walter Tait was instantly killed by being run over by a heavy wagon. The driver of the team, Earl Kinneer, of Spott Road, had no intimation of what had occurred until he felt the jar as the wheel passed over the child.
