LOCAL NEWS

ROBERT L. PARKER.
The death of Robert L. Parker occurred at his residence, Peters street, on Sunday afternoon, after an illness of two days. He is survived by one sister, Mrs. Robert Carson of St. Martins, two brothers, Captain Alfred Parker of England, and Captain Raymond Parker of Boston, and by numerous nieces and nephews. The funeral service will be private. Many friends will be sorry to learn of his death.

FUNERAL OF H. M. KEBLE.
On Saturday afternoon the funeral of Henry M. Keble, a young Englishman, who met his death on Wednesday under such and circumstances while in a canoe duck shooting on the Kennebecasis river at Hammond River, took place. Following a short service at the residence of Hedley V. Dickson, where the young man made his home, the last rites were performed at the grave side in Holy Trinity churchyard by the Rev. Bernard Wadlington, rector of the parish, and a personal friend of the young man. A large number of friends and neighbors were present and many beautiful wreaths were sent. Mr. Keble was a favorite with all who knew him. He was nineteen years of age.

A BIRTHDAY SURPRISE.
Friends planned a birthday surprise last evening for Miss Irene King, daughter of Louis King, St. James street. Miss King, with her father and other members of the family were at a hunting camp on the Hibernia road for the day, and on their return last evening were invited into the home of Mr. and Mrs. John F. Newman, where the friends had gathered. It was a complete surprise, and when Miss King was called on to cut the birthday cake and inspect certain pretty and valuable gifts of china, she found it difficult to give expression to her feelings. A very pleasant evening was spent in dancing and music, and the birthday supper was served about midnight.

THE SKATING CHAMPS HERE

A Letter from Frank White
and an Explanation by C.
A. Owens.

To the Editor of The Times-Star:
Sir—You printed an article in your paper some days ago in regard to the Dominion of Canada Skating Championships. The article in question has caused considerable comments from many citizens generally and common street talk, and justly so, as it would look from the article the Y. M. C. I. of this city had been the instrument through which the championships had been procured. The fact is, Mr. Editor, and I hereby inclose letters from the president of the Amateur Skating Association of Canada, Jas. A. Taylor, corroborating the following statement:

The Dominion of Canada Skating Championships were awarded the City of St. John being solicited by the undersigned representatives of the A. S. A. of C. for the past twenty years. In asking for the championships I cited what had been done in past years by the citizens of this city in sending our boys to take part in the Canadian and International Skating Championships.

Mr. Taylor stated this had been very much appreciated and he would support and use his influence to secure for St. John the meet. He asked me to conduct the races, in case he could secure them for us. I gladly recommended the Y. M. C. I. as I had been associated with them in all their ice meets in the past and I felt confident that institution could carry off the Dominion Championships with credit to themselves and to our city.

The Y. M. C. I. knew I had asked this for them, and instead of communicating through me as was their custom in the past, and thus securing the sanction which had been put through by Mr. Taylor, unknown to me they sent their letter to our secretary, who, evidently thinking I knew this, granted their request. Hence the published article, on reading which I immediately tendered my resignation. Mr. Taylor was not in Montreal at the time the letter from the Y. M. C. I. arrived and on his return received my resignation, which he flatly refused to accept, explaining to me there was a grave mistake and earnestly requesting the withdrawal of my resignation.

The Y. M. C. I. knew perfectly well the sanction should and could only come through me, and why they endeavored to procure it in this manner over my head is a mystery to me, as I had always given them any sanction asked for, and endeavored to the best of my ability to make the meet a success by rendering any assistance asked of me.

This institution has treated me with every respect in the past, and I appreciated the many courtesies shown me by that body, but in all large and influential societies and clubs there at times creeps in an individual or individuals who cause trouble.

As this is the first time in the history of the Maritime Provinces a Dominion of Canada Skating Championship has been granted it behooves each and every citizen of this city to give their best efforts to make it a big success, and this can only be done by playing the game fair, and working together in harmony.

Trusting this explanation will end all further street corner controversy and thanking you for your valuable space. I remain,

Yours truly,
FRANK WHITE.

C. A. Owens, chairman of the Physical Committee of the Y. M. C. I., expressed deep regret this morning when this matter was brought to his attention. He said that there had been no discourtesy to Mr. White intended when they took the matter up with Mr. Taylor. They always looked upon Mr. White as that type of good sport who was a true friend of every institution that fostered sport. He explained that they had spoken to Mr. Taylor about the matter when he was in the city, and that he had assured them that he would use his influence and get Mr. Rubenstein to do likewise to have the meet staged in St. John. They had also promised to render all assistance possible in making it a grand success. It was due to this, Mr. Owens said, that they wrote directly to Mr. Taylor and unfortunately had overlooked the fact that the matter should have been handled through Mr. White. He said it was a case of thoughtlessness and had not been done for any motive.

POLICE ARE EXONERATED

Report on Investigation at
City Hall.

Commissioner Thornton finds
They Did Not Fail in Duty
or Withhold Any Important
Evidence from the Crown
Prosecutor.

A report, clearing the police of charges of suppression of evidence in the recent trial of Edward O'Brien, acquitted by a jury in connection with the murder of Albert Norris, was presented by John Thornton, commissioner of public safety, at a meeting of the common council this afternoon. The report followed an investigation conducted last week by the commissioner.

The text of the report was as follows: Having been appointed by the common council on the 18th day of October to hold investigation under oath, under the authority of section three of the Act of Assembly 88, Vic., Cap. 48, for the purpose of ascertaining whether or not there is any truth in a certain statement which appeared in the St. John Globe, on the seventh day of October, 1921, I beg to report as follows:

The statement referred to was as follows: "Explanations Dr. Wallace, crown prosecutor in the recent murder trials, has said why a witness with important testimony was called at the Spellman trial and not at the O'Brien trial, places the responsibility for this curious proceeding on the police authorities. Apparently the crown attorney was not told of this witness until it was too late to get her evidence at the first trial. Apparently, when told, he was led by the police department to believe that her evidence was unimportant and worthless. Why the police failed to let the crown Wallace himself to decide the value of her testimony is now the mystery. The incident is worthy of something more than passing notice."

My investigation commenced on the 28th October last, and was concluded on the last day of November instant.

W. H. Harrison, acting city solicitor, appeared, representing the city. Nine witnesses were examined, namely, Mrs. Marie Truscott, Detective Kenneth Donohue, William F. Godwin, Armstrong B. Clifford, Patrick F. Biddiscombe, John T. Power, Mrs. Mary Fleming, William B. Wallace, K. C. The evidence of the said witnesses is herewith submitted. After careful consideration of all the evidence, and more particularly that of Mr. Wallace, the crown prosecutor, I have come to the conclusion and report that there is no evidence whatever to substantiate the charge that the police failed in their duty or withheld any important evidence from the crown prosecutor.

ALLIANCE STAND ON METHODS OF RAISING MONEY

Text of Resolution Passed at
Recent Meeting Given Out
Today.

The Evangelical Alliance met at the Y. M. C. A. this morning, with Rev. Dr. Hutchinson in the chair. The following resolution prepared by a committee has been sent to the Protestant Orphanage Home.

At the regular meeting of the Evangelical Alliance of the city of St. John, representing the Protestant people of the city, communication was received from the Baptist ministers' conference drawing attention to the fact that it is announced through the press that a public fair is to be held for the benefit of Protestant Orphans at which unlawful devices to be used as a means of securing money. Public announcement state that there it to be in operation a lottery for an automobile, a wheel of fortune known as a "chocolate wheel", and prizes offered for the holders of certain numbered door tickets. We view with deep regret and sorrow that so worthy a cause should seek to support from the public by such unworthy methods and which are offensive to the best sentiments of the people.

We therefore strongly disapprove of all such devices as being detrimental to the moral welfare of the community and tending to create and foster the habit of gambling. We would respectfully urge the organization having the fair in charge to remove all gambling devices from their programme.

This is submitted under strong convictions and with the hope and confidence that it will be received in a kindly spirit and acted upon for the good of the people.

J. M. Stephens, of the Bernard Homes addressed the meeting regarding the work of the homes, and solicited the support of the alliance. The attendance was small this morning, due to the fact that the Anglican ministers of the city had another engagement.

CHINESE WOMEN AND
CHILD HERE TODAY

The R. M. S. P. Chignecto arrived in port at eight o'clock this morning from Bermuda and the West Indies and docked at the Pettibonk wharf. She carried forty-eight passengers—seven cabin, seventeen second and twenty-four third class. The list included four Chinese, two women Chinese and one child en route to China. There were no local people on board, but the majority of the passengers are bound for points in Canada. The vessel brought general cargo, but had no sugar aboard this trip. The officers report a pleasant voyage, except a violent rainstorm when nearing this coast yesterday.
