Bassen's, 282 Prince Edward St.
Is the centre of attraction to those in this big end of the
city, who are responsible for the clothing welfare of their
families.
Not only are the prices hard to equal, but the stock
turnover is so rapid that freshness is the keynote at all
times.
Those in Glen Falls and East St. John are particularly
handy to this store, and are particularly invited to become
acquainted with my values.
