Thousands of Jews Risk Lives In Brave Effort to Reach Palestine

JUSTICE BRANDER, HONORARY CHAIRMAN OF ZIONIST ORGANIZATION

Millions of Jews throughout the world are awaiting the word that will permit them to start again another Exodus to the Promised Land. In every quarter of the globe, thousands are waiting with tense eagerness for the great word which will enable them to go to the one land where they believe they will find peace and the spiritual satisfaction of national existence—the Land of Israel.

This signal will come with the signing of the treaty of peace with Turkey, establishing a British mandate over Palestine and paving the way for the formation of a Jewish National Homeland, where the intense mass-migration of these millions of modern pilgrims will be realized.

There is no country in the world without its large group of Jews waiting with agonized impatience for the time when mass-migration will be opened to the Holy Land. The Zionist Organization of America, which is endeavoring to raise \$10,000,000 for carrying on restoration work in Palestine to prepare it to receive this mass-migration, reports that its most serious problem is to restrain

GOODBY LOBSTER IS A BROADWAY SONG

New York, Feb. 16.—The day of the lobster as a favorite edible and diversion is past, according to Mr. Mann, chef at the Claridge Hotel. The decrease in the demand for crustaceans is laid to prohibition. From the first symptoms of the great drought to the obsequies of King Bartsy, the restaurant decreased its supply of the delicacies from 50 to 80 per cent. The lobster was the first to feel the public displeasure, for no one would eat it without its logical accompaniment. The demand for coffee and tea has increased 100 per cent. in the last few months.

HINKY DINK SCHOONERS FOR HISTORICAL MUSEUM.

Chicago, Feb. 16.—"Hinky Dink" McKenna, whose "Workingmen's Exchange" was the resort of hoboes, has given to the Field Museum two immense "schooners" which held considerably more than a pint of a once well known drink called beer, and were known as "goldfish bowls." The exchange is passing into history, as is the more exclusive saloon operated by "Hinky Dink" a few blocks away. He has also presented a pair of "bowls" to the Chicago Historical Society. These in the museum will find a place beside the wine glasses from the White House in Lincoln's time, and decanters from the home of George Washington.

RHINELAND OCCUPATION MAY BE GREATLY EXTENDED.

Paris, Feb. 15.—Premier Millerand yesterday sent notice to Germany that the date from which the Rhineland occupation period is to be counted has been deferred. This action was taken, the premier said, because of Germany's failure to execute certain clauses of the peace treaty.

A HOMELESS MILLIONAIRE.

Paris, Feb. 16.—Baron Maurice de Rothschild, lately elected to the Chamber of Deputies, though a millionaire, has been unable to find a domicile in Paris. The Marquis publishes an illustration depicting the homeless deputy preparing his parliamentary address seated beneath an archway on the banks of the River Seine. He is attired in a morning coat and tail hat.

CHIEF SOLOIST AT 80.

Devon, Eng., Feb. 16.—A feature of the festivities at Newton Abbot Institution was the singing of a choir of twenty-four voices composed entirely of inmates. Twelve of the men were more than sixty years of age, and the chief soloist, the principal tenor in a Torquay church, was nearly eighty.

Charming Use for Candelsticks.

Recently at a delightful at home at an old farm house, I saw a charming use made of our hostess' many old candelsticks. Refreshments were served on several quaint little tables, and on each table was a candelstick, and occasionally a candelabra, with little dials filled with sweet peas instead of candles. Upon inquiry I learned that the vials

Threw Away \$100

Eugene Quenel, of Montreal, who, suffering from kidney trouble—and had suffered for five long years. This is his letter:

"I could not sleep nights and on some occasions could hardly walk. I had been treated by some of our best physicians but without relief. I lost over 15 pounds and was very weak, and friends who knew me before were astonished. One day I met one of our leading hotelkeepers, who had been cured by your famous Gin Pills. He advised me to try them. I bought two boxes and before I had used one box I felt a big change. Before I finished the second one I was completely cured, and I can assure you if I had only known what I know now, I would not have spent one hundred dollars for nothing—when two boxes of Gin Pills cured me."

Gin Pills are the finest preparation for kidney and bladder trouble ever produced. At the first warning pain in back or side, get Gin Pills. They work like magic, reducing congestion, soothing, healing inflamed, emaciated tissues, building them into normal and active condition and relieving pain. At all druggists and dealers, 50c.
