HEARTY RECEPTION

ROSSIAND WELCOMES JAMES A. MACDONALD

The Liberal Chieftain Speaks of Political Situation in Province at the Present Time.

The Rossland Miner of Friday referring of the reception accorded James A.

band. Mr. Macdonald had been met at Smeiter junction by a small deputation, by the Socialists elected to the House avenue and hastened home without con- bright.

"When the train came to a stop the brass band broke into music, announcing to the heavens that this crowd wouldn't hours for the deleved train." 'go home till morning.' When Mr. Macnald came on the platform the cheers woke the echoes for blocks around. There was a surge to the spot, five min utes of the most vigorous handshaking that has been witnessed in the Golden City since the election and then the crowd started for Columbia avenue.

ontaining Mr. Macdonald and a number of his loyal supporters in the campaign.

A halt was made at the corner of Columafter three rousing cheers for the Libagon road would accomplish the deeral leader, Mr. Macdonald made a
brief but stirring address. He thanked
the gathering sincerely for their heartly
appreciation of the honor which had
been done to Rossland by the selection
of its member as the leader of British
Columbia Liberals in the legislative assembly, but assured them that personally
that he did not deserve the honor
of his address was devoted to an outline
of his address was devoted to an outline
of existing conditions at the coast and
as forecast of the immediate future that
conveyed a spectacle of Liberals sweeping the country at a forthcoming general
election.

Miner. The proposed Rossland verves
wagon road would accomplish the desired result, and if the arguments advaced in the quarters referred to are
substantiated it is apparent that Rosslanders have neglected a most important
section of the Rossland district.

"Among those who hold strong and
district exhibitions on the subject
is P. H. Craven, lessee of the I. X. L.
mine and O. K. stamp mill. It is with
most familiar.

"If there were facilities for taking
achinery into the section between
Rossland and the Velvet I would start
work there to-morrow. I have spent

British Columbia will have a strong government in office for the next four years,

'Premier McBride proposes to bor row a million dollars at 4½ per cent., and this will be the first bill he introduces in the House if he decides to meet the House at all, of which I am doubtful. Just imagine the idea of a government borrowing money at 41/2 per cent.! have been pu in by officers, averaging The very highest percentage that this two and three dollars. A new regular province should pay under any circumstances would be 31/2 per cent.

"The Liberals are in fine shape.
Under the conditions existing the last election was actually a Liberal victory. Perfect harmony exists among the members of the House on the Liberal side, and the old jealousies of the Island vs. Mainland have been entirely laid aside nd buried with the dead past. It is a fact that the Island actually had the vota leader from the Island members, but man was appointed and an Interior man, too, and the Island support is harmoni

ously and solidly with him as Liberal "I cannot tell what is likely to happen in the next few days, weeks or months. Much hinges around the result of the recount in the Fernie elec-tion. This recount take place at Nelson on Monday next, and the question arising is whether ballots sufficient to elect

Mr. Smith, Liberal, but marked opposite his name instead of within the white disk, are to be counted. The act says that 'the returning officer shall reject' ballots not marked within the disk, but it must be remembered that the returnand has none of the discretionary power vested in a judge. I don't see why a technical departure in this respect should rob so many men of their fran-

thises in the Fernie riding.
"'If the Fernie seats comes to us there s little doubt in my mind that Premies McBride will refuse to meet the House. The situation is further complicated by the bye-elections necessary after cabnet positions are filled. The Conservatives are almost certain to seats thus thrown open, and I don't be-lieve they will venture to open any riding save Nelson. With Fernie thrown to the Liberal side the Conservatives are absolutely certain to lose every bye-election, so that a great deal depends upon

the Fernie matter.

right.'
"Mr. Macdonald was deeply touched good as the best of the Victorias.
Y. M. C. A. took the kick-off at the
