You'll scarcely tell to ony." Do not needlessly report ill of others There are times when we are compelled to say: "I do not think Bouncer a true and honest man." But when there is no need to express an opinion let poor Bouncer swagger away. Others will take his measure, no doubt, and save you the the good side of human beings. There are family boards where a constant process of depreciating, assigning motives, and cutting up character goes forward. They are not pleasant places. One who is healthy does not wish to dine at a dissecting table. There is evil enough in men, God knows; but it is not the mission of every young man and woman to detail and report it all. Keep the atmosphere as pure as possible and fragrant with entleness and charity. - Dr. John Hall.

But self-possessed, unshrinking and aggressive coarseness of demeanour may be reckoned as a State prison offence, and certainly merits that mild form of restraint called imprisonment for life. It is a shame for women to be able. Bashfulness is constitutional. Io. cures of Dyspepsia, Liver Complaint, Impurities of the Blood, &c, &c. have been shame that they need it. Do not be restrained. Do not have impulses that need restraint. Do not wish to dance with the prince unsought; feel indifferently. Be sure you confer honor. Carry yourself so loftily that men will look up to you for reward, not at you in rebuke. The natural sentiment of man toward woman is deference. He loses a large megas of grace when he is obliged to account her a being to be trained into propriety. A man's ideal is not wounded when a woman fails in worldly wisdom; when a woman fails in worldly wisdom; the fact of the Blood, &c, &c. have been true delay an moment. Prevention is better than cure. It is now known to be the best liniment for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horse in case of cuts, wounds, &c., and I think it equally as good for horse as for man."
