MR. FREDERICK BLAIR, formerly of Chatham, has received the appointment of organist of St. Andrew's Church, Montreal. We understand the salary is \$1,000 a year. He is now organist of the Cathedral of the Holy Spirit in Montreal. He is making rapid strides in his profession and is to be congratulated on the recognition which his abilities have commanded.

MARRIED AT SEA.—The marriage of Mr. Wm. Loggie of Loggieville and Miss Charlotte Inglis of Chatham was celebrated on Thursday by Rev. Mr. Vans in the Presbyterian Church at the latter place. It was one of the leading social events of the season, the church decoration and music and the fine array of bridal presents being attractive and valuable.

THE EDITOR of the FARM JOURNAL says: "They have a mortgage on the farm, poor chaps, eh? Well, they have a grip, look in the roof, hole in the pocket, trouble in the closet, or any other pain or trouble, when you can get the FARM JOURNAL 5 years, (all of 1900, 1901, 1902, 1903 and 1904) and the ADVANCE one year for \$1.00. Pay in advance and you get both papers."

THE TRANSMISSOR FIRED.—Mr. H. A. McKenna and Mr. John T. Kelly, of the Inland Revenue department, have returned from Europe, where they went in the interest of the Crown in the case against the Frenchman Guthrie for illicit distilling of whiskey. JOHN H. LAWLER & CO. A RECORD GRADUATE.—Mr. E. Eugene Connolly, Douglastown, N. B., William A. Clarke, Newmarket, and Miss Mabel L. Olla, of this city, (shortland), graduated this week from the St. John Business College. Mr. Connolly deserves special mention, as he was less than three months in attendance at the college, thus breaking the record for the time required for graduating, and he received from Mr. Kerr a very flattering testimonial bearing evidence to his diligence and capacity.—Globe 18th.

THERE HAVE BEEN poultry books printed costing fifteen dollars and more, but there never has been one at any price with more beautiful color reproductions of poultry, than those issued in Biggle's Poultry Book, an announcement of which appears in another column. The paintings were made direct from the birds of the different breeds, and the coloring and characteristic shape of each breed are perfect. As for the text, there never was a book printed containing more practical, level-headed information, its chapters include, "Eggs for Hatching," "Hatching the Eggs," "Care of Chicks with Hens and Brooders," "The Successful Care of Incubators," "The Farmer's Flock," "The Village Henery," chapters on "Breeds," on "Feeding and Marketing," and "Diseases and Remedies," with the old and new school methods of treatment. One man wrote the publishers that, "The notices alone at each chapter heading were worth the cost of the book." Twenty thousand copies of this admirable work have been printed. See advertisement of The Biggle Books in this week's issue of the ADVANCE. The price is 50 cents, free by mail; address the publishers, Wilmer Atkinson Co., Philadelphia.

A Record-Breaking Caribou Head. There came to Chatham on Saturday last an antlered caribou head, which is the best specimen we have yet seen, taken in New Brunswick. The head was shown on the Esplanade Barracks on Wednesday last week by Mr. J. J. Connell of Little Belton. The antlers are very symmetrical in form, the trunks, palms and upper branches balancing well. They have thirty-four points, measure from the ends of the palms in front of the eye to the tip 42 inches on the left side and forty inches on the right. The spread is 31½ inches, which is very large, for caribou horns do not extend laterally as moose horns do, being, in that respect, more like those of the elk. Our readers who own large caribou heads are requested to look them over and measure them, and if anyone has a larger specimen we will be pleased to hear from him. An advance staff photographed the specimen before shipping it to the taxidermist for mounting.

Death of Mrs. Robert Loggie. No death that has taken place on the Miramichi for a long time has caused such general regret or evoked more widespread sympathy for the bereaved ones than that of Mrs. Robert Loggie, of Loggieville. We are informed by a member of the family that she had been in a delicate state of health for some time, but did not appear in any immediate danger on Friday night. Her mother, who had been with her for a few days at up with her until about midnight, when she slipped her to retire saying that her husband would render her all the assistance she needed. She soon after appeared to fall asleep, and early in the morning speaking with Mr. Loggie she said she felt quite well. Soon after Mr. Loggie noticed something unusual in her appearance and endeavored to rouse her. He could not do so and becoming alarmed rendered her mother. They thought, at first, that the attack was of temporary character and used applications, in the hope of restoring her to consciousness, but without avail. Then the household was alarmed and medical aid was summoned, the efforts to revive the stricken lady being assiduously continued meantime. All efforts, however, of relatives who ministered with tender solicitude and of the three doctors, Messrs. John and Joseph Benson, of Chatham, and Hays, of Nelson, were unavailing. Two lives depended on the issue of the attack, in the death of his wife, which took place at 4 a.m. on Monday. Mr. Loggie realized the irreparable loss which had come to him, for both the young mother and her firstborn were no more.

The news of Mrs. Loggie's death, as it spread on Monday along the Miramichi, came as a shock to everybody, for she was widely known and universally esteemed. Her home was known to be one of the happiest in the community. She was sparingly the embodiment of truth, as she was of good spirit, and her acts of charity and kindness and unaffected manners had secured for her a special place in the regard of all

who knew her. To her husband the loss is an irreparable one and if the respectful sympathy of the community at large can in any way mitigate his sorrow he has the assurance that it is his.

Deceased was the only daughter of the late John and Mrs. Mary A. Flett of Nelson. As Miss Mary Flett, she was well known to all her friends, beauteous of her unaffected good nature, good sense and happy disposition. Since her marriage with Mr. Robert Loggie, some three years ago, she had made for herself a warm place in the regard of her own immediate community of Loggieville, the members of which feel that they have each sustained a personal loss. Her widowed mother and brothers share with Mr. Loggie general sympathy in their bereavement.

The funeral took place yesterday afternoon at half past one o'clock. Long before that hour people began to assemble at and near the late home of deceased, coming from all the surrounding parishes. The funeral service at the home was conducted by Rev. Wm. Aitken of St. James' Church, Newcastle. Mrs. Loggie's former pastor—assisted by Revs. T. G. Johnston, J. M. Maclean and D. McLaughlin. Prayer was offered by Rev. Mr. Johnston and the hymn "Forever with the Lord" was sung very feelingly by members of the Loggieville Presbyterian Church choir, assisted by the friends.

Rev. Mr. Maclean read the scriptural selections of the funeral service, prayer was offered by Rev. Mr. Aitken and the benediction was pronounced by Rev. Mr. McLaughlin. The pall-bearers were Messrs. John O'Brien, M. P. E. Geo. Berchill, Jr., W. A. Park, W. B. Snowball, J. W. S. Babbitt and J. R. Johnston. The procession formed under the direction of Mr. John McDonald and was over a mile in length. It included 141 teams and was the longest that ever entered Chatham. The interment was in Riverside cemetery. At the grave the concluding prayer of the service was offered by Rev. Wm. Aitken.

On last Thursday evening Branch No. 202 of the C. M. B. A., Chatham, gave an "At Home" in St. Patrick's Hall. Invitations were issued to the Newcastle, Loggieville and Blackville Branches and a number of friends of the members. In response there was a large gathering in the Assembly Hall, on the second floor of the building, at 8 o'clock. The hall was tastefully decorated, and the stage made a pretty setting, with a landscape scene, at the back of which was hung the banner of the Branch, while in front and above it, in neat arrangement, the letters "C. M. B. A." stood out prominently. The address was given by Rev. Mr. Aitken. The interment was in Riverside cemetery. At the grave the concluding prayer of the service was offered by Rev. Wm. Aitken.

Another correspondent writes under date of Tuesday, 21st that about a foot of snow fell there "last week," being the first of the season but it is going off, the fields being nearly bare again. Much activity is going on in the lumber woods. Help for the woods is in great demand; in fact operators cannot get help enough. Wages for woodsmen range from \$17 to \$24 per month. Farm produce is in fair demand. Oats sell at 30c. per bushel; hay about \$10 per ton, pressed; beef about \$12 per lb. by the quarter. Live stock is scarce and in active demand. Young stock is much sought after. A good many tourists have come and gone, being quite satisfied with their outings. Many of them returned with trophies of their sportsmanship. Rev. Thomas Johnston assisted Rev. A. Robb in the sacramental service a week ago last Sunday in Doaktown in the Presbyterian church. Three members were added to the church—Mrs. James Robinson and daughter and Miss Grace Mitchell.

The South African war is the absorbing topic here. Rev. Mr. Montgomery preached a patriotic sermon last Sunday evening to a full congregation in the church of Zion. Much interest was manifested in the theme. Last Sunday morning the Rev. Matthew Knight preached in the Methodist Church. At the close of his sermon he spoke in strong patriotic terms of the justness of the cause for which the nation is fighting in South Africa and offered up a strong and heartfelt petition for the success of British arms in that distant part of the Empire, closing with the National Anthem, which was joined in by the congregation in a very hearty manner.

Another correspondent writes as follows—H. F. D. Swin are framing a bridge to put across Mill Brook at Nelson's Hall. It will be 85 feet span, and when completed will add much to the appearance of the place. It is rumored that W. Cammings will operate the saw and door factory of the Robt. Swin Estate this winter. Land Surveyor Fries is kept very busy this fall running lines.

Manoy. When near Gibraltar, Nancy, the mascot goat of the U. S. warship Chicago, ate a pot of red paint and died in spite of medical assistance. The animal was buried at sea by the sailors.

Weep! Let hot tears flow! Play strains that are sad and low, And bow the head! When Nancy went up again, He said she had come at last! Nancy is dead! Dead as a coffin nail! Weep! Let hot tears flow! Play strains that are sad and low, And bow the head! When Nancy went up again, He said she had come at last! Nancy is dead! Dead as a coffin nail! Weep! Let hot tears flow! Something was wrong with the paint; A taint Of some kind must have been in it When Nancy went up again, Else it wouldn't be said That she's dead! Weep! Let hot tears flow!
