SHOCKING DETAILS IN SUIT CASE MYSTERY.

Evidence Shows Dr. Percy McLeod Frequently Performed Criminal Operations—He Wore a Mask.

BOSTON, Nov. 28.—Shocking in its details, the story of the dismemberment and disposal of the body of Susanna Geary, the Cambridge chorus girl, was rehearsed in the superior criminal court today, the second day of the trial of Dr. Percy D. McLeod, who is charged with being an accessory to a criminal operation. The principal witnesses were Crawford and Howard, who were arrested in New York; Emma Coulter and Sarah Griffith, nurse at the house on Winthrop street, Roxbury, where the Geary girl is said to have died; and Dr. John H. Pettie, of Roxbury, who testified that he had been called by Dr. McLeod to attend a patient at the Winthrop street house. During the examination of Hunt and Miss Griffith it was brought out that Dr. McLeod wore a mask to conceal his features when he attended patients at the house on Winthrop street. Miss Griffith further testified that Dr. Pettie also wore a mask. Both Dr. McLeod and Dr. Pettie, Miss Griffith said, were masked while the Geary girl was conscious, but as soon as she became unconscious they uncovered their faces and made no attempt to conceal their identity.

It was brought out by the many witnesses that Dr. McLeod was a frequent caller at the Mrs. Bishop office on Tremont street, where the illegal operation on Susan Geary is alleged to have been performed. According to the testimony, he called regularly Saturday at the Bishop office to collect the money due him for his services. The testimony brought out that Dr. McLeod "did the outside work," that is he had no part in the illegal operation, but did attend to patients upon whom such operations had been performed.

THREE CHURCHES MAY BECOME ONE

Baptists Want to Close Up
Brussels and Waterloo
Street.

The adjourned meeting of the committee appointed to consider the question of readjustment of United Baptist work was held last evening in Brussels street United Baptist church, twenty-three ministers and laymen being present, representing the five United Baptist churches of the south end. The chairman, Rev. A. B. Cohen, called the meeting to order, and prayer was offered by Deacons Allwood and Peters. At the last meeting a committee of two from the three churches, Leinster street, Waterloo street and Brussels street, was appointed to take the question of readjustment into fullest consideration and outline a programme for the next meeting of the general committee. This committee, consisting of Revs. A. B. Cohen and A. J. Prosser, and Deacons Patterson, Peters, Keirstead, Yall, Haley, Wilson and Dunlop, met on Monday evening. At the meeting last night A. Wilson submitted on behalf of this committee certain resolutions.

It was decided unanimously that the following resolutions be brought before the church:
1. That it is desirable that the congregations now worshiping in Waterloo, Brussels and Leinster streets should unite.
2. That the united churches should use the Leinster street plant, the same to be thoroughly modernized.
The original committee was reappointed, with power to act and to bring the matter before the churches. The meeting, which lasted for nearly three hours, was most harmonious, and all representatives were enthusiastic over the proposal of union.

As stated in the Sun a week or so ago, Leinster street church can be enlarged to almost double its present capacity by taking into it the rooms now used as a school, and by extending the gallery. This would cost some thousands of dollars, and it is understood that a little work is necessary on the walls of the church.

BLACKWOOD INDICTED ; HOWARTH DISAPPEARS.

Sensational Developments in Moncton Shooting Case—Dead Boy's Father Has Skipped—Grace Becham Indicted

MONCTON, N. B., Nov. 28.—There were sensational developments today in connection with the Blackwood manslaughter case, in which Blackwood was charged with maliciously shooting the nine year old son of Matthew Howarth, an Englishman, employed in the Moncton cotton mill. In the county court at Dorchester a true bill was found against Blackwood, but Howarth did not show up. On enquiry it is learned that after borrowing various sums of money by giving a bill of sale of furniture, etc., Howarth had hired a horse from a livery stable and left this morning for parts unknown. The horse was recovered at Boundary Creek, and it was learned tonight that Howarth had taken the noon train at Boundary Creek for St. John, and is probably now across the border.

The strange conduct of Howarth, who was the principal witness in the case, cannot be explained, except on the supposition that he is demented.

The grand jury also found a true bill against Grace Becham, the woman who set fire to Priest Wilbur's barn at Lutes Mountain a month or two ago. The Westmorland barristers who met at Dorchester today, passed a resolution asking for the passage of the Judicature Act for the province. A resolution was also passed favoring the enlargement of the duties of the county court judges to embrace all debts within the jurisdiction of justices and local court.

Mrs. W. H. Williams of this city left for St. John today to be present at the marriage of Miss Dunfield, daughter of the late George Dunfield, and Lewis G. Sangster of Moncton, which takes place tomorrow evening.
