

Fothergill, Chaplain, and the Rev. Thomas Richardson assisting in the service. The musical portion was kindly undertaken by Mr. E. A. Bishop, organist, assisted by the ladies and gentlemen of his choir and others, to all of whom the Society is much indebted. The collection amounted to \$39.72.

The Society has to mourn the loss by death of Mr. F. Oliver, late Chairman of the sub-Committee of Charity, who for a long period took very great interest in the Society's affairs, and rendered most valuable services in his official capacity; Mr. M. G. Mountain, Hon. David E. Price and Dr. James A. Sewell, all three life members and Past Vice-Presidents; and Mr. Martin Winn, an ordinary member.

The Society were unable to send representatives to the annual convention of the North American St. George's Union, but the report of the proceedings of that body will be found on the table.

The whole respectfully submitted,

ROBERT H. SMITH,  
President.

T. INGLIS POSTON,  
Secretary.
