

# Water!!

Magi Water bears the same relation to other waters in its satisfying qualities that an oasis does to the sands of a desert. Its immaculate purity, delicious flavor and vigorous touch of life will delight you.

Drink

## MAGI WATER

and know what it is to taste a beverage that sparkles on the tongue as well to the eye.

A pure, natural mineral water bottled exclusively at the Springs. A delicious table water. Superior to soda with whiskey--both for flavor and healthfulness. Comes in pints, splits and half gallons. Still or carbonated. Can be had at cafes, hotels, bars, chemists', on all R. R. cafe cars and at your grocer's by the bottle or the case.

### Ask Your Dealer

An interesting booklet about *Magi Water* will be sent free to all inquirers.
