Ottawa, April 14, 1916.

Mr. Gerald H. Brown,  
Assistant Deputy Minister of Labour,  
Ottawa.

My dear Brown:

I have pleasure in enclosing you this small cheque as a contribution towards the Military Service Fund of the Young Men's Christian Association. I regret that, owing to the number of funds which one is anxious to contribute to at this time, it is not possible for me, with the demands I have of one kind or another, to send a larger contribution. The work the Y. M. C. A. is doing among the soldiers at the front is certainly deserving of every support, and you are to be thanked for assisting in raising the amount required.

Yours sincerely,

W. L. MACKENZIE KING
