

3.

That system is essentially unwise. The leader of the Opposition (Mr. Meighen) seems in a half-hearted sort of way to blame the government for its declared intention of bringing this system to an end.

MR. GRAHAM: -The government's proposal as outlined in the resolution is to extend to those provinces that have not earned the amount of their appropriation, a period of two years in which to earn it. No further grant is proposed to provinces which will have earned their proportion of the appropriation of \$20,000,000.
