Rt. Hon. Arthur Meighen, Esq., M.P.,
Ottawa, Canada.

Dear Mr. Meighen:

The Home Bank depositors in the Riding of Elgin are very grateful to you and the Conservative members of the House of Commons and also our Conservative friends in the Senate who are doing what they can for the relief of those who lost their money in the Home Bank. Much dissatisfaction is expressed today on account of the proposed amendments which some regard as one way of killing the measure.

Enclosed you will find copy of a letter written today to the Honourable Sir George Foster and the Honourable J. D. Reid by my partner who is a Vice President of the Western Ontario Conservative Association.

Yours truly,

Edgar C. Sanders
