Ottawa , 9th January, 1902.

Sir,

With reference to the sample of flour , taken from the delivery made by the Lake of the Woods Milling Co , as per voucher No 46 , which you forwarded recently for comparison with the standard , I beg to point out that the name of the Agency was not marked on the outside of the parcel , and therefore there was nothing to show from where it came. You should be most particular to adhere to the instructions which you have received in respect to the manner of putting up and forwarding flour samples.

Your obedient servant.

Secretary.
