

MARTIN - ORME PIANO

"Not oldest in point of years but the best piano of the Canadian Century"

OUR STYLE 24 \$400 ON TIME

This is only one of our beautiful models—the handsome case design being of the Louis XV. period.

We've got smaller pianos and larger pianos than this but each is of the finest possible grade. If you once tried the

MARTIN-ORME PIANO

you would say, as do all musicians, that it is incomparable. The model shown above we sell at \$400 on time with a liberal discount for cash.
