yielded respectively \$11.75 and \$2.25. The congregations at the three places were satisfactory as to numbers and attention. The appointment at *Manilla* was not fulfilled, at the request of Mr. McGregor and friends; and that of Tuesday, at Rugby, failed because of trains behind time and connections missed. But on Wednesday and Thursday evenings I had good congregations in Mr. Sanderson's field, namely, at *Oro*, nine miles from Rugby, and at *Vespra*, six miles from Oro. Collection at Oro \$4. I am indebted to Mr. Miller of Markham for the drive of nine miles on Sunday, to Mr. Day, for the drive to Altona, and to Mr. Sanderson for conveyance in his carriage about 30 miles on two days and the early morning of the third, free of all charge. On Friday evening a small congregation at *Pine Grove* listened attentively, and contributed \$25.50, of which \$16 were handed to me on account.

*Hamilton* occupied me twice on the Lord's Day, 19th, and we may hope that the future contribution of this vigorous and prosperous church will indicate that the services were not in vain, as affecting the interests of the College. Monday, Tuesday, Wednesday and Thursday evenings were occupied in addressing Congregations at *Fergus*, *Garafraxa*, *Douglas*, and *Eramosa*. Mr. Andrew Gerrie, Rev. Robt. Brown and Rev. M. Archer, and Mr. John Anderson each conferred gratuitous favours by driving me from place to place. The *Eramosa* Congregation handed me the handsome contribution of \$34.60. An early start from Fergus and three lines of railway enabled me to meet Mr. Hindley at St. Thomas on Friday afternoon, Queen's birth-day, who drove me seven miles to *Frome* where, in the evening, I addressed the last congregation that assembled to listen to me as a deputation from the College Board. The day was my 24th from home, and the sermon and address the twenty-first. I received the kindest treatment throughout, and a generous hospitality from ministerial and other brethren. A very large number of young men in the aggregate have had their attention directed to the claims of our Divine Master upon His young servants in regard to the Christian Ministry. The nature of our college training and the duty of the churches to sustain this important institution have been set before the people
