THE FIRE LOSS of the United States and Canada for the month of July, as compiled from the carefully kept records of The New York Journal of Commerce shows a total of \$18,240,150. The following table gives a comparison by months of the losses this year with 1905 and 1906:

	1905	1906	1907
January.....	\$16,378,100	\$17,723,800	\$24,064,000
February.....	25,591,000	18,249,350	19,876,600
March.....	14,751,400	18,727,750	20,559,700
April.....	11,901,350	292,501,150	21,925,900
May.....	12,736,250	16,512,850	16,286,300
June.....	11,789,800	13,950,650	14,765,000
July.....	13,175,250	12,428,050	18,240,150
Total 7 mos.....	\$106,323,150	\$390,093,600	\$135,717,650

During the past month there were no less than 344 fires where the loss reached or exceeded \$10,000 in each instance. The fifth largest fire of the month is given as that which recently destroyed the Edward's Mill and adjacent property at Ottawa.

The opinion is given that so far the year 1907 has been so expensive to the fire underwriters that it is clear the insurance companies will generally show a loss on underwriting, even if the remaining months of the year should entail less than their normal loss.

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for additional Front to Wharf at Sorel," will be received at this office until Wednesday, May 22, 1907, inclusively, for the construction of an additional Crib work front to wharf at Sorel, Richelieu County, Que., according to plan and specification to be seen at the Department of Public Works, Ottawa, at the office of Mr. J. L. Michaud, Resident Engineer, Merchants Bank Building, St. James St., Montreal, and on application to the Postmaster at Sorel, Que.

Tenders will not be considered unless made on the printed form supplied, and signed with the actual signatures of the tenderers.

An accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, for nine thousand dollars (\$9,000.00), must accompany each tender. The cheque will be forfeited if the party tendering declines the contract or fails to complete the work contracted for, and will be returned in case of non-acceptance of tender.

The Department does not bind itself to accept the lowest or any tender.

By Order, FRED. GELINAS, Secretary.
Department of Public Works,
Ottawa, April 23, 1907.

Newspapers inserting this advertisement without authority from the Department, will not be paid for it.
