Toronto, Monday, September 13, 1999.

Teronto, Monday, September 15, 1990, —
Reports from jobbing houses indicate that
good business is being done. A demand,
is being made for early goldery of
goods. This would indicate that the retailer is a second of the second of the second of the
free and y for the expected fall rush.
There are some in the trade who advise
caution lest the streamous times of a year
or 14% are be repetited. Money keeps
in definant for mercavitie purposes on a
term of the second of the second of the
crops, rate are firmer at quotations that
have ruled for several weeks past.

WHEAT

WHEAT

WHEAT

The wheat market showed considerable strength at the end of the week, and there was an all round advance in price at the leading markets. On Friday, September wheat sold at Chiesca at \$10.79, or 2c higher than the day at \$10.70, or 2c higher at \$90.60, and October at \$91.00, or 2c higher at \$90.60, and October at \$91.00, or 2c higher at \$91.00, and October at \$91.00, or 2c higher at \$91.00, and October at \$91.00, or 2c higher at \$91.00, and October at \$91.00, and Desember at \$91.00, also advances and European markets arriving in the face of large shipments of new wheat, and indicates an inherent strength in the market. The largest receips on record con record co cates an inherent strength in the mar-ket. The largest receips on record con-tinue to be recorded at Winnipeg and other north-western centers. Locally, the market is stronger in keeping with the admarket is stronger in keeping with the advance outside. Prices, however, show little change. New winter wheat is quoted here at %2. to %2. outside. On Toronto farmers' market fall wheat sells at \$1 to \$1.02 and goose at 95c a bush.

COARSE GRAINS

COARSE GRAINS
The oat market shows signs of a stronger tendency. At Montreal there was an advance of a cent or two over a week ago. The export market is after of the country of the count FEEDS

Millfeeds keep firm under a good demand and light receipts. At Montreal Ontario bran is quoted at 82 to 823, and shore at 823.50 to 824.50, and Manitoba bran at 823 and shorts at 824 and shorts at 824 and shorts at 824 and shorts at 824 to 825.51, and shorts at 824 to 825.51, and shorts at 824 to 825.61 and Ontario bran at 822 and shorts at 824 at on in car lots on track Teronto.

There is no change in corn prices. Later reports indicate a smaller yield from the American corn. American corn is quoted to state of the sta

few weeks ago. American corn is quoted here at 77c to 77½ and Canadian at 75c to 76c a bush. in car lots on track Toronto.

HAY AND STRAW

The outlook is good for fair hay price this season. There will likely be a large export demand this season. The English crop is light. Holland has been buving hay in Canada. Only one or two European countries can ship hay into English. The Demand States will be the season of the European countries can ship hay into English. iand. The embargo against United States' hay was only recently removed. The export demand here is therefore likely to continue good. Though prices have not changed much the market generally has a stronger tone. Quotations for blad hay a stronger tone. Quotations for blad hay 2, 3th to \$15.05 kg. 3, 5 to \$5.50, and elover and clover mixed \$9 a ton in car lots there. Baled hay is quoted here at \$15.50 to \$15.6 at no fro. 0. 1 timothy: \$34 to \$15.50 for inferior, and \$9 to \$5.50 for baled straw in car lots on track Toronto. On Toronto farmers' market old hay sells in bundles at \$14 to \$15.50 and loses straw at \$7 to \$8 a ton.

POTATOES AND BEANS

POTATOES AND BEANS
Ontario and New Brunswick potatoes are now on the market in larger supply. The former are quoted here at 75 to 58c, and the latter at 590 to 51 a bag in car lots. On the local farmers' market new potatoes sell at 79c to 58c a bush. There has been an easier feeling 1: the market for foreign beans and Austrians are quoted 10c to 15c a bush. lower. It is reported that car lots of new Ontario beans have been offered for October dependent of the contract of th

EGGS AND POULTRY
Higher prices for eggs have had the effect of increasing receipts somewhat. The cooler weather has improved quality. Dealers are reported as having paid 2tc a dozen at country points during the week, Dealers here quote engs firm at 25c in case lots. On Toronto farmers' market new-laid sell at 25c to 35c a dozen, dressed chickens at the to 25c; young for at all few at 15c to 15c. and urrieys at 15c to 25c a 15c. 20c a 1b.

EDUIT

Prices have held firm on Toronto fruit market all week. There has been an in-creased demand because of the exhibition. Grapes and late varieties of tomatoes are Grapes and late varieties of tomatoes are on the market in large quantities. Quotations are as follows: Crawford peaches, 81 to 81.25; 81. Johns, 76 to 81; seconds, 46 to 76; blueberries, 81 to 81.49; apples. 26 to 56c; crab apples. 26 to 40c; pluns, 25c to 56c; Gifford pears, 25c to 56c; Estrictipers, 46 to 26c a basket. Duche the para, 46c to 25c a basket. Duche and tomatoes. 26c to 25c a basket. Duche for the para 46c and 25c and 2 farmers' market.

DAIRY PRODUCTS

DARY PRODUCTS

The cheese market rules quiet but steady with no marked change in prices over a week ago. At the country boards the end of the week, most of the selling was done at 13%c, 11%c to 11%c being the general range of prices. Dealers here quote cheese to the trde at 12%c for large and 12%c a lb. for twins.

12%c a h. for twins.
There is an improved export demand for butter. At Quebec boards last week butter sold at 22½c to 23c. Several of the large creameries there have contracted to ship cream to the United States at a price that will not 25c a b for butter. This will mean less butter at home. The creamery with dairy and the creamery with dairy and the creamery with dairy and the sealer. Wholesle quotations here are 25c. recommendation array and secondary grades easier. Wholesale quotations here are 25 to 24c for choice creamery prints; 15c to 25c for best dairy prints; 15c to 17c for ordinary and 18c to 19c a 15 for choice tubs. On the local farmers' market choice dairy sells at 25c to 28c and ordinary at 20c to 21c a lb.

HORSE MARKET

There is an improved tone in the horse rade. About 100 head were on offer at he West Toronto Horse Exchange during the West Toronto Horse Exchange during the west and the demand was better than for some weeks past. Prices rule about steady. Dealers, however, report that it is hard to buy in the country at prices that will enable them to sell at a profit that will enable them to sell at a profit demand for bush horses this winter. The following is about the range of prices: Heavy draft, \$125 to \$220; farm chunks. \$1310 to \$190; drivers, \$300 to \$500; and derivers, \$100 to \$500; and continued to \$100 to \$100; and \$100 to \$100

pository, Toronto, during the week, brought an average of a little over \$276 each. They are pretty well distributed, some going to Winnipeg, some to Montreal and others to different Ontario points.

LIVE STOCK.

Receipts of live stock continue large. There were over 150 more cattle offering on Toronto markets last week than for the same week of a year ago. Trade of live stock. On Thureday cattle and logs sold specially well. The run of cattle comprises numbers of medium to inferior cattle, which are not bought up so readily as the better ones.

There were about as many export cattle was at its height. The caughty did not a was at its height. The caughty did not awas at its height.

There were about as many export cattar was at its height. The quality did not average up so well as a week ago and fewer sold at top prices. At the Union Stock Yards on Tuesday there was a big run. Fance 10. Only about ten per cent. of the offering, however, crossed the 85 line, the built of the sales being from \$5.90 to \$6 a cet. Good to choice cattle sold higher medium lower. Choice steers sold at \$6 to \$6.40; fair to good, at \$5.59 to \$6; common at \$5 to \$5.25; export cows at \$4.25 to \$4.30, and market on Turneday a few medium liver market on Turneday a few medium liver at \$4.50 to \$5.50; export cows at \$4.25 to \$4.30, and market on Turneday a few medium light steers sold at \$5 to \$5.65, and export builts at \$4 to \$5 to \$5.65, and export builts at \$4 to \$5 to wet. market of interests a few meaning in the steers sold at \$5 to \$5.65, and export bulls at \$4 to \$5 a cwt.

Butchers' cattle held steady all week especially the good kind. The top price for picked lots early in the week was \$5.50 and straight loads at \$5 a cwt. QuotaA BT Litter Carrier and BT Feed Carrier
