Two actors were in conversation the other day.

"Hear about the peculiar accident that happened to Maxine Elliott's press agent, A. Toxin Worm, up at Rye the other day?" asked Actor No. 1.

"No, what was it?" demanded Actor No. 2.

"Well, you see, Mr. Worm was visiting a friend of his on a small poultry farm, and while strolling about the place he started to climb a fence, and—"

"And fell?"

"Yes; his foot slipped and he fell over with a crash into the poultry yard and—"

"Yes!" eagerly. "What then?"

"A chicken pounced on his name and swallowed it!"

### GOSSIP.

Mr. Israel Groff, Elmira, Ont., reports the sale to Mr. H. M. Vanderlip, of Cainsville, Ont., of his stock bull, Chancellor's Model, a son of that noted sire, Bapton Chancellor (imp.), and out of Imp. Marchioness 4th. Chancellor's Model proved his sterling worth as a sire in the herd of Mr. Groff, and will certainly do good at the head of Mr. Vanderlip's select herd. Mr. Groff has still for sale three yearling bulls, one a son of Chancellor's Model, out of a Marr Blythsome dam. Another is a son of Scottish Fashion, and out of an imported Clementina dam. The other is also got by Scottish Fashion, and out of a Duchess of Gloster dam. These are a trio of young bulls that will make good in any herd. The last named is one of the best young bulls in the country; he is a show bull all over; very superior. Another choice young bull of superior breeding went to E. Weber, of Elmira. He was got by Chancellor's Model, and out of a Crimson Flower dam, a cow that has produced many prizewinners, including the first-prize senior bull calf at Toronto, Crimson Hero. He is also offering a grand bunch of heifers, the best lot he ever had together.

### GRAHAM-RENFREW CO.

One of the infallible signs of returned prosperity is the exceedingly active demand for big horses at almost staggering prices. The Graham-Renfrew Co. (Ltd.), of Bedford Park, North Toronto, Ont., whose reputation as importers of the best horses procurable in Scotland is unchallenged, reports that the last few months has developed a demand for high-class heavy horses for both breeding and work purposes, as decidedly the strongest in their years of experience. Nothing but the very best seems to satisfy the present-day demand. Within a comparatively short time they have sold to Cameron & Co., Etobicoke P. O., Ont., the splendid Clydesdale stallion, Craighair (imp.), a brown four-year-old son of Lothian Again; to Phillips & Son, Essex, Ont., the Toronto first-prize winter-show winner, Celtic Laird (imp.), a brown five-year-old son of Argus; to Patterson Bros., Islington, Ont., Baron Hamlet (imp.), winner of second prize at Toronto and Chicago (he is a brown five-year-old son of Baron's Pride); to J. D. Skinner, Sarnia, Ont., went Prestwick Freeman (imp.), the brown four-year-old son of Baron Solway; also the Hackney stallion, Coron King (imp.); to Graham Bros., Claremont, the great champion Clydesdale, Sir Marcus. All these, besides the several mentioned in a former issue of "The Farmer's Advocate," that went to Mr. R. Taber, Condie, Sask.; the champion Hackney filly, Saxons Queen, that went to F. Cooper, Claremont, Ont., and the 1908 champion Hackney stallion, Carnon (imp.), that went to Orillia, Ont. They have still on hand for sale at their Bedford Park stables the Toronto first-prize two-year-old, Top Spot (imp.), the bay son of Baron Hood; dam by Darnley Again. This is one of the sweetest quality colts ever owned in Canada—a colt that will draw business in any section. Another is Baron Dow (imp.), a bay four-year-old, by Baron Britton; dam by Mains of Airies; g.-d. by Prince of Carruchan. There is no better breeding and few better horses. He is quality from the ground up, and has style, smoothness, character and faultless action. Glenlivet Chief (imp.) is a brown five-year-old, by Argus, a horse of superior Clyde character, up to a big size, and stands on a faultless bottom. This trio of Clyde stallions will stand the closest inspection by the most expert critic. They are for sale at living prices. Brigham Radiant, the Hackney champion, and Plymouth Horse, the Hackney pony champion, are in fine fettle, and ready to win more honors.

### TRADE TOPIC.

Those who are tired of farming and consider that it does not pay as long as it is necessary to work so hard, should get Planet Jr. implements. They cut down the work enormously, and give better crops. It is said that two million farmers and gardeners are now using them, so they must be making farming pay somebody. Write to S. L. Allen & Co., Box 1108F, Philadelphia, Pa., for fuller particulars.

## GOOD TO THE LAST DROP

There is no other calf food, save new milk itself, which contains so much nourishment as BIBBY'S CREAM EQUIVALENT MEAL. It is heartily relished by young stock, is practically predigested, and can be fed with perfect safety to the youngest animals. It is a perfect substitute for new milk, and contains the same elements of nutrition. Mixed with milk and water, separator milk, or water only, it makes a nutritive feed that cannot be equalled for bringing calves and young pigs up to first-class condition, and preventing scouring and other ailments. BIBBY'S CREAM EQUIVALENT is in constant use by most of the leading breeders of high-class stock. Calves relish it, and thrive well upon it; it is easy to prepare, and costs much less per meal than other preparations.

For sale by all dealers or direct from WM RENNIE CO., Ltd., Toronto, Montreal, Winnipeg, Vancouver.
