PHOTOGRAPHETRY.

All you who fond remembrance cherish,
Secure the shadow e'er the substance perish,
Repair at once with those you love so well
To the studio of Slade the Artist—who does
excel
In taking likenesses, so true to life
That a man mistook the picture for his wife!
The time may come, not very long, before
We see the forms we venerate, no more:
How sad we feel with nothing left to trace
The cherished form, the well-remembered face!
Come one, come all, and bring your friends
along.
For though *Life's* short, affection still is strong.
Our Portraits in Oil, and Crayons too,
Are life like, natural, real, true.
Small pictures are made large, the large made
small.
We suit the wants and tastes of all;
We guarantee to give you satisfaction,
Or for our work you need not give a fraction.
